MOTION TO CONTINUE ORAL ARGUMENT

---

This matter is set for Oral Argument on February 2, 2016 at 11:20 a.m.

That on Sunday, January 31, 2016, I was treated at the Lexington Medical Center Irmo and was diagnosed with Bronchitis. I am physically unable to finish preparation for Oral Argument. I am concerned that I am unable to properly advocate and argue this case on the behalf of my client and would respectfully request that this matter be continued.

I have discussed this continuance with the Office of the Attorney General and they indicated that they do not object.
