Good morning. The above referenced matter is scheduled for oral arguments on February 10, 2016 at 10:40 AM in Courtroom 2. Attached please find three (3) exhibits Brad Churdar, attorney for the Department, would like to have on the overhead during oral arguments.

Also, will a laser pointer be available during oral arguments or will he need to bring one?

Thank you in advance for your assistance. Please let me know if you have any questions or concerns, or need any additional information.
