Subject: State v. Ralph Martin - Appellate Case No. 2015-000311- Transportation Order

Dear Ms Kitchings – On February 3, 2016, I prematurely filed a motion for a transportation order in the above case for State's Exhibit #4, the audio from Officer Powell's body microphone. At this point I would like to withdraw the motion until the State has had the opportunity to file the initial brief. If a written motion to withdraw needs to be filed with the Court, please let me know. I apologize for the confusion and appreciate your consideration.
