To Whom This may Concern;

I am writing this Court in regards to my appeal, which was file and sent to this Court on November 18, 2015 by my Attorney Mr. James C. Galmore. I have received my copy from the Court stating that it was received by SC Courts of Appeals. However I haven't heard anything concerning my case. My Indictment is for Shoplifting. I am asking that my sentence please be reduce, I have beg the Court to help me in my past with this issue that I been suffering with for years. This does not need Corrections, it's a sickness that I need help with. I feel like I am wasting S.C. Taxpayers money when it could be applied towards me and others like me for going to a rehab. Center where I can

receive the help that I need. I am 47 yrs. old and I don't want to continue in life doing the same thing. I know how to gain employment and I did have employment when I got this charge (2013 A26 204 00753) I am asking with a very humble heart that this Courts please give my past a chance to prove to Society that I can and will be a productive member of today's Society? How long will it take for this Courts to respond to my request? I have wrote my Attorney several times as well as the Solicitor's Office. I hope to hear from someone in your Courts soon.

Respectfully
Tracy M. Alston
