**Re: Coveris Flexibles US, LLC v. Robert Taylor and ColorMasters, LLC SC Court of Appeals**  
C.A. No. 2015-CP-23-2724  
Appellate Case No. 2015-002000

Dear Ms. Kitchings:

Late yesterday the parties in the underlying action from which the above-referenced appeal was taken reached an agreement on settlement terms. The parties conferred and believe they should be able to finalize and complete the settlement within the next 30 days. Therefore, we ask that this appeal be dismissed *without prejudice* and that all rights of appeal be reserved should the parties not fully consummate the settlement. We respectfully request the Court hold the remittitur for 30 days to allow time to complete the settlement.

This request has been discussed with and agreed to by all parties to this appeal and the underlying action.

We will keep the Court apprised of any further developments and immediately notify it upon completion of the settlement. I am of course happy to provide any further updates or information the Court may need. Should you have any questions regarding this matter, please contact me at your convenience.

With kind regards, I am,

Sincerely,

ROE CASSIDY COATES & PRICE, P.A.
