**The State, Appellant**

**v.**

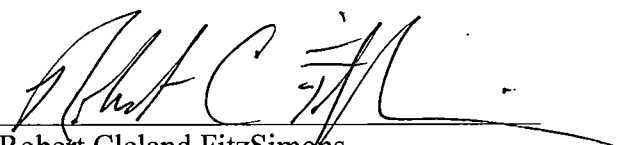

**Kathryn Hart Dew, Respondent**

**Appellate Case no. 2015-001093**

**Request for extension**

Respondent Kathryn Hart Dew, by and through her undersigned attorney, requests an extension of time in which to file the amended initial brief in this matter pursuant to the Order granting Appellant's Motion to Strike. Respondent's lead appellate counsel, Ross Alan Burton, has been the primary author of the brief, as well as the person most familiar with the Appeal. Mr. Burton is out of state and his return travel has been complicated by weather delays. For all of these reasons, Respondent prays this Court grant an extension of time in which to file the Amended initial brief.
