

# The South Carolina Court of Appeals

The State, Respondent,

v.

Barry Lafavor, Appellant.

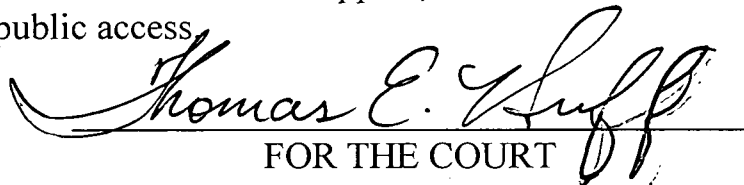

Appellate Case No. 2013-000568

---

## ORDER

---

Appellant has filed a motion to seal the record on appeal and briefs in this case, explaining that Court's Exhibit 2 contains Department of Social Services records and Court's Exhibit 2 was referenced throughout the trial and is cited in Appellant's brief. Appellant's motion is granted to the extent that Court's Exhibit 2 shall be sealed. Appellant shall serve and file Court's Exhibit 2 in a separate supplemental record on appeal. Although we deny Appellant's motion to seal with respect to the briefs and the remaining portions of the record on appeal, the briefs and record will not be available on C-Track public access.
