BRIEF SC Court of Appeals

CASE NO. 2013-002392

THE STATE RESPONDENT,

v.

OTIS ROBINSON APPELLANT

First of all my constitutional rights were violated in so many ways until I dont know were to start, but let me explain first well I never had a preliminary hearing, and I did request to have one, I have proof of that information, ² my evidence to my case, my picture's etc. were taken out of my property by one member of the shakedown team, because after they conducted their search, and I check my property out and it wasn't there I immediately inform the officer of the situation, and he told me to put in a request form to find out about it and I did but they never respond, this happen right before they took me to trial, it is a conspiracy because when they shake down, they took it and didn't told me nothing about it, I would like an investigation on that, these detectives and a police officer's in this case are the real criminals in this case because they set me up and I can prove it and thats why they took my evidence out of my property, AND ALL OF THE PERJURED TESTIMONY AT TRIAL, THE CRIME SCENE HAD 54 PICTURES, HOW COME THEY ONLY SHOW 16 AT TRIAL, what happen to the rest of the crime scene

PHOTO'S, pictures, evidence, ETC, THE EVIDENCE THAT
I WAS NEVER ABLE TO BRING UP AT TRIAL BECAUSE
THEY TOOK IT FROM ME, THE ONLY PERSON I TOLD WHAT
HAPPEN IN THE CASE WAS MY LAWYER¹ JASON KING AND
² Wesley Locklair, one of them had someone that work in
the county JAIL to take my evidence out of my property
because it ~~was~~ is very ~~that~~ important in my case
to where I could win at trial, thats why that
happen, where my picture's to my crime scene
all of it.

WITH KIND REGARDS, I AM
OTIS MAURICE ROBINSON

SINCERELY,
Otis Maurice Robinson
