Dear Mr. Jordan:

Your letter was forwarded to this section for a response. In the letter received January 13, 2016, you are requesting transcripts from proceedings heard on February 8, 2014, February 16, 2014, and April 3, 2014. Phyllis M. Campo was the court reporter assigned to Judge Alford on those days. She is no longer employed by Court Administration. Her records are stored by Court Administration. Someone from our office will locate these records and transmit them to another court reporter to transcribe. The court reporter assigned to prepare the transcript will contact you with an estimated fee based on the number of pages.

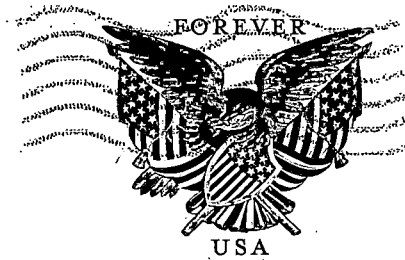

Please be advised that court reporters have sixty days to prepare a transcript once satisfactory payment arrangements have been made. They may also ask for thirty-day extensions of time if they are unable to complete the transcript within sixty days. If you have further questions regarding court reporters and/or transcripts, feel free to contact this office.

Respectfully,

Desiree Allen
