SC Court of Appeals

Appellate Case# 2015-002356

Ms. Kitchings:

I received the ordered transcript on February 8, 2016 from Ms. Coconut Pantsari but felt that it was incomplete and therefore contacted her for clarification. I did not want to submit transcript to SC Appeals Court without being assured that it was a complete and accurate account of events from September 15, 2015.

Please see email to Ms. Coconut Pantsari requesting clarification on transcript that was received.

Subject: Transcript from court proceedings

Ms. Coconut and Atty. Eugene.

I have reviewed the transcript and according to my memory there may be some parts missing but seeking clarification. I remembered Judge Cooper stating that he could not ruled on other motions submitted until he make a decision on defendants motion to dismiss complaint. I do not see those documentations in the transcript. Judge Cooper made a decision on the motion to dismiss later after proposed orders was submitted.
