Re; Respondent, Medical University of South Carolina v. Appellant Jack Powell,  
Civil Case 2013-CP-10-5351 now listed as 2015-001331 in the S.C. Court of Appeals.

On July 30<sup>th</sup> 2014 the above Civil Case 2013-CP-10-5351 was tried before the Honorable Judge Markley Dennis in the 9<sup>th</sup> Circuit Court of Charleston County and I Jack Powell agree to purchase the complete Transcript from reporter Ruth Mott. Appellant also request Ruth Mott to revisit her process of determining the price of this said Transcript after considering the evidence submitted below.

On 2-19-15 the Clerks Office submitted a Non-Dispositional Decision-Order/Petition to Reinstate to be considered after 10 days for Appellant to confirm he has made payment arrangements with the court reporter required by Rule 207.

The Appellant submitted a Form 12 Notice (Exhibit A) on 10-13-15 to the Court of Administration/Clerks Office and this was also included in Appellants Motion to Reinstate that was filed on 12-3-15, because the Form letter was never properly posted by the Clerks Office. In the Motion Appellant submitted evidence he properly mailed the FORM 12 (Exhibit B) and this Form 12 was mailed on October 13<sup>th</sup> 2015 by the USPS.

Reporter Ruth Mott's estimate demonstrated an obvious discrepancy in the pricing of the Transcript after being compared to another case. Also included in the Motion to Reinstate were other USPS receipts of documents that weren't posted including (Exhibit C) where Appellant forgot to add his signed Proof of Service to his Motion to Reinstate that was requested by the Court and was in fact properly mailed within the 10 days as required and the certified mail was in fact signed by a Court of Administration/Clerk of Court employee.

Appellant concludes he has made previous arrangements and mistakes were made by the Clerks Office, again I submit this Form letter to Ruth Mott for her to respond hopefully in a couple of days for the furtherance of justice may continue.

RE: Medical University of South Carolina v Jack Powell, Appellant, Case 2015-001331

Dear Deputy Allen,

This is Appellant Jack Powell and I'm reporting that I received a response by reporter Ruth Mott on August 2<sup>nd</sup> for Marshland Communities and MUSC which stated; Upon review of the records, I estimate your transcript to be approximately 40 pages at a cost of \$135.05. Then the case for Marshland was dismissed and I made the request again just for MUSC and asking for the exact amount of pages. On September 30<sup>th</sup> in her response just for MUSC she stated; The transcript is 40 pages at a cost of \$135.05.

On July 22<sup>nd</sup> I received a response from Reporter Karen Anderson requesting \$21.50 for the transcript where I spoke 13 times covering only 2 pages in case 2015-000049 and during this MUSC 2015-001331 hearing I was only allowed to speak three sentences before being cut off by Judge Dennis and him then granting MUSC Summary Judgment. Therefore the cases were basically the same amount or less and I'm questioning the accuracy of this estimate the reporter has made and I'm also requesting the administration to look into this or possibly make a suggestion or a procedure for a Pro se to follow to get to the bottom of this.
