Appellate Case No. 2015-002013

Bobby Ruff, 185024,

Appellant,

v.

South Carolina Department of Probation,  
Parole and Pardon Services,

Respondent.

MOTION FOR ENLARGING TIME  
AFTER EXPIRATION OF ORIGINAL TIME

PLEASE TAKE NOTICE, that Bobby Ruff, the Appellant in the above entitled-action, moves the Court for permission extending the time in which Appellant is required to file Proof of Service of Record on Appeal. In addition, to waive any filing fee for the same.

The motion is made on the grounds that circumstances regarding an oversight and excusable neglect caused me to not file the proof of service in a timely manner. Appellant is a layman acting pro se and is trying with the best of his ability to comply with the SCACRules, in which he is still a student learning.

For reasons shown above, Appellant request that the filing fee for this motion be waived based on the foregoing good cause.

I declare, certify, verify, state under penalty of perjury that the foregoing is true and correct and that the motion for enlarging time after expiration of original time was placed in the prison mailing system on January 27, 2016.
