RE: Reginald Spellman v. The State

Appellate Case No: 2013-CP-40203673

Ms./Mrs. Kitchings

On February 13th 2015 I received an order from judge Kinard denying my PCR relief. It was clock on February 20th 2015 and counsel Ms. Good received it March 3rd 2015.

I was later assigned counsel from the Dept. of Indigent Defense a one Ms./Mrs. Lorette Durant. Ms./Mrs. Durant sent me a letter stating she found no merits in my case and filed a motion stating so. She also said I could file my own writ on what I seen.

Therefore immediately after that notice I did. I also later filed a supplement concerning the unconstitutionl emending of my indictment and the nature being changed because of it under subject -

for my case to be heard. I believe it was around
Aug. or September I submitted my writ and I did
the supplement Dec. 4th 2015.

I would be grateful for any information you
could provide me.

With warmest regards, I am

Very Truly Yours
