Re: Terence Terrell Bryan v. state  
Appellate Case No. 2016-000113

Dear Ms. Allen,

The dorm is currently on lock down due to allegedly 15 inmates having the Flu. I can not go to the law library or receive legal books due to the fear the flu will spread. THEREFORE, I can not serve & file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

I previously filed a motion for extension & you refuse to file it because I did not pay the \$25.00. I am indigent, in prison, noting I filed this action in indigent status.

I am a black man (Exodus 3:14) & this court has consistently employed **INSTITUTIONAL RACISM** in denying blacks review of their case because of something outside of their control.

Please forward this letter to a judge for the appropriate action.
