The State of South Carolina,

SC Court of Appeals
Respondent

v.

Dale Mack Feaster

Appellant.

STATEMENT PURSUANT TO RULE 203(d)(1)(B)(iv)

Appellant pled guilty on February 24, 2016. Undersigned counsel files this appeal at the request of Appellant and pursuant to In re Anonymous Member of the Bar, 303 S.C. 306, 400 S.E.2d 483 (1991).

The only issue that counsel knows that may be preserved is the judge's interpretation of S.C. Code 23-03-470(A). Counsel does not read this statute that the judge had to give 3 years mandatory active time. The judge made a finding on the record that he was required to give this much time and could not give a time served sentence for the months Mr. Feaster was incarcerated. Defense counsel believes it was within the judge's discretion and he did not consider this as he claimed he could consider nothing less than a 3 year minimum.

Counsel knows of no other issue that can be reviewed on appeal.
