

# The Supreme Court of South Carolina

Kandia Crate, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2010-180250

---

## ORDER

---

This matter is before the Court by way of a petition for a writ of certiorari from the denial of petitioner's application for post-conviction relief, including petitioner's allegation that he was entitled to a belated direct appeal pursuant to *White v. State*, 263 S.C. 110, 208 S.E.2d 35 (1974). We find there is evidence in the record to support the PCR judge's findings. With regard to the PCR judge's finding that petitioner was not entitled to a belated direct appeal, we further find a direct appeal would be to no avail because no issues were preserved for direct review. The petition for a writ of certiorari is therefore denied.
