Re: David Wilson v. John Gandis
Appellate Case No. 2015-000476
Lower Case No. 2012-CP-23-02887
RCCP 2209.0002

Dear Ms. Kitchings:

We represent Appellants Gandis and Shirley in the above-referenced appeal. On February 22, 2016 these Appellants submitted a Petition for Writ of Supersedeas pursuant to SCAR 241. By Order dated February 23, 2016 the Honorable H. Bruce Williams denied that petition. We have confirmed with the clerk handling this matter that this denial was by Judge Williams only as he is the single signatory to the order. SCACR 241(d)(7) provides that a party aggrieved by the decision of an individual judge upon a writ may petition for review. Therefore, pursuant to SCACR 241(d)(7) Appellants Gandis and Shirley submit the enclosed **Writ of Supersedeas** for review and consideration by the Court.

As this is a somewhat rarely utilized procedure and Rule, we were not certain if a newly signed original Writ should be filed. We have enclosed a newly signed original writ along with six (6) copies of the previously filed documents attached to the original writ, including Verifications of both Gandis and Shirley. If original verifications or other filings are necessary in order for the Court to review the February 23, 2016 decision under SCACR 241(d)(7), please let me know and I will be happy to provide them.

Also enclosed is a Proof of Service for the filing(s) noted above. Please file the enclosed documents in your usual manner.
