**Re: Shirley Hammer v. Howard Hammer (1634 Main)
Appellate Case No. 2016-000341**

Dear Mr. Shearouse:

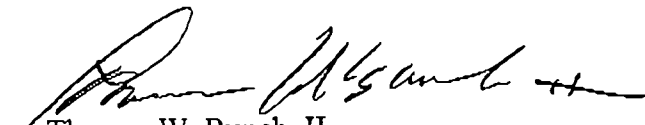

This will confirm my legal assistant's telephone conversation with your office yesterday regarding the briefing schedule in the referenced matter. My Notice of Appeal filing letter contained a self-imposed deadline of March 14 to file the Appellant's Designation of Matter and Initial Brief. On March 4, 2016, Ms. Ballard filed a Motion to Dismiss the appeal, thereby making our Return to her Motion also due on March 14.

It is my understanding that the Motion to Dismiss holds the appeal in abeyance and that only Appellant's Return to Respondent's Motion to Dismiss is now due on March 14. If this is incorrect, please contact me at the number listed above.

Thank you for your attention to this matter.

Yours very truly,

ROBINSON, MCFADDEN & MOORE, P.C.
