RE: Charles Taylor, Appellant

vs.

Stop "N" Save, Inc., d/b/a, El Cheapo Plus #7 and Roy Rahal, Respondents
Appellate Case Number: 2015-002481

Dear Mrs. Allen:

Thank you for your letter dated Feb. 26, 2016. The information was both very helpful and timely. I have a question though--about a week or so ago, I noticed Attorney Jessica Ann Waller's name signed on a document for the first time. I never received a correspondence noticing me formally of her appearance in this case. Your said letter formally noticed me of such. Prior to that, I had begun putting together the Record on Appeal and have produced the covers for such, which does not include Mrs. Waller's name with the other attorneys. The question as of this date is--must I destroy all that to redo-to include her name or do I include it from the date of your letter-forward?

I would have just done it but I have produced about 60 covers because they sent over ten hundred pages to be included in the record causing the need for 3 volumes.

I feel that if I were properly noticed of her appearance when it first occurred there would not be a problem where I must pay-suffer the consequences, for their failure as stated.

Thanks very much and please reply as soon as your time permits because I have on hold the ROA's preparation to be served by March 21, 2016 to the Respondents. I sent them a letter re: the above before today but no answers to my questions in that correspondence as of this date.

SINCERELY YOURS,

CHARLES TAYLOR, APPELLANT
