RE: State v. Jesus Vargas Martinez

Dear Ms. Maddox:

I am in receipt of your letter requesting the above-referenced transcript. I have reviewed my records and estimate that the transcript for the hearing in the above referenced case before the Honorable Scott Sprouse on February 23-24, 2016, will be 140 pages. Based on the current rate of \$3.25 per page, the cost will be \$455 plus \$7.45 for postage.

Under our rules, I have 60 days in which to complete a transcript. Upon receipt of \$462.55 (no personal checks from individuals, please), the 60 days begin. If I have underestimated the number of pages, you will be notified prior to delivery of the transcript of the balance due. If I have overestimated the number of pages, you will be refunded the overpayment.

The length of time it takes to prepare a transcript depends on my current typing load and number of days in court. In the event I need an extension of time to complete the transcript, I will request an extension from Court Administration. You will be notified if the extension is granted.

Sincerely,

Renee H. Tollison
