Dear Ms. Kitchings

I wish to address concerns in regards to appellate case no[#] 2014-001481 via Letter writing instead of composing a Brief so to express these concerns. On February 9, 2016, I acknowledge receipt of the Respondents Initial Brief and the Respondents version of Designation of matters to be included in the Record on Appeal. Furthermore, I have had the chance to examine the contents of the Respondents Brief and the Respondent appears to have addressed only one issue and circumvented all other issues appellant had presented for review. Therefore, I request for this Court to review all issues presented for review because of the process this case underwent when this case was pending at the administrative Law Court Review. Also the results of this Deprivation caused appellant to file the Administrative Law Court Procedure Process as a issue for review to this Court in Appellants Initial Brief filed on October 19, 2015.

Furthermore, the Respondents Brief vaguely address the procedure process this case endured since the filing of case at the South Carolina Court of Appeals.

Therefore, I must reformed the Court and the Respondent that on June 10, 2015 I filed a Letter to this Court in which I had to request for a copy of Appellants Original Brief filed on November 3, 2014. This Request araised due to the S.C. D.C. Search team officer Christopher Hunt erroneously confiscated a Legal Box from Appellant room that contained the Brief Filed on November 3, 2014.

This incident had affected appellants ability to properly correct the De Ficiency this Court Instructed appellant to correct. Finally my position in this case subject matter is; the Procedure Process of the Administrative Law Court Deprived Appellant of meaming Review; in regards to S.C. D.C. classification misinterpatution of Appellants Sentence sheet. I presented this issue within Appellants Brief Filed on October 19, 2015, therefore, I request for this Court to Review this concern
