AMENDED MOTION FOR RIGHT OF MANDAMOUS

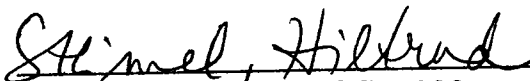

I, Steimel, Hiltrud moves this court to grant the Motion for Right of Mandamus. The issue that has arisen from the Master of Equity court where the Master in Equity Marvin H. Dukes, III presides, is that he has totally ignored the cry of the natural woman of violation of my Civil Rights, Constitutional Rights as well as unalienable rights by exerting statutes and codes which are for governing corporations /entities not the natural man or woman, to take away my property.

The question that is being proposed in this Motion for Right of Mandamus;

**Question:** Please provide the lawful law that gives the Master In Equity the Authority to sell my property and evict me from my home that complies with the Constitution not limited to but including the Seventh Amendment.

**Note:** All Public Officials took an oath to uphold the Constitution of the United States of America and the Constitution of the State in which they reside.

Failure to provide the **LAWFUL LAW** will be an estoppel to any further actions by the Master In Equity and the Sheriff Department of Beaufort County.
