**RE: Carlisle Medical v. SC State Accident Fund
Appellate Case No. 2016-000039**

Dear Ms. Kitchings:

I am writing in response to the correspondence sent from your office on March 8, 2016, requesting a copy of the letter showing that Appellant has ordered the transcript directly from the court reporter. This matter involves a decision from the Medical Services Division of the South Carolina Workers' Compensation Commission. The evidence in this matter was submitted electronically per the request of the Medical Services Division and a decision was rendered without a hearing. As a result, there is no hearing transcript to order.

Appellant is willing to compile any documentation necessary to continue the progress of this appeal and will await guidance from the Court of Appeals as to what is necessary to complete a record on appeal.

Sincerely,

Page P. Snyder
