C/A NO: 2015 CP-40-3751

S.C. Courts of Appeals
RECEIVED

MAR 15 2016

SC Court of Appeals

Notice of
Appeal

Now cometh the (Sovereign) to this Courts in

Regards of Appealing: ① the decision of Richland County which over looked I have the rights as A victim which a crime was

committed against me which is a federal offense and Entitles me to an Attorney. ② per Crime Victims Act, Title 18 United States Code Section 3771

I'm Entitled to Re-imbursement of those funds that were stolen from me while incarcerated in prison. ③ The fact that SCDC search

Team is allowed to come into all cells whether it be personal information (or) not they can take personal information we aren't allowed

to watch them and all SCDC staff (are not) professional and are Criminals just work in SCDC steal, use drugs, bring and take from prisoners.

④ Being this is a Criminal Act I'm a victim I am and was Entitled to Attorney in this case which the Judge didn't respect that Judge Benja-

min. ⑤ Judge Benjamin should not heard case I've filed several complaints against her at Disciplinary Counsel of S.C. Supreme Courts see complaints she should has recused herself ⑥ per. Restitution Act I am Entitled to

all the funds were spent and used in my name, Credit damaged to be

fixed etc the courts of Richland didn't respect my well established rights. ⑦ Evidence that tried the Director and head of security of

SCDC in as liable people they are superiors over the search team and

the statutes stated in Court on record, as well 6C Connor v. Keller, 510 F. Supp. 1359, 1374 (D.Md. 1981), Smith v. Ross, 482 F.2d 33 (6th Cir. 1978) etc it's a known fact SCDC staff get fired for stealing and identity theft it's BS in SCDC.

⑧ QA.Dic Abdul Shabbaz could possibly be a family member of an SEDC staff whom searched my living Area before and gave him my personal information.

⑨ I personally never gave this guy my information and in prison, don't know him at all so supervisors of SEDC got access to it, the wardens and Columbia Head Quarters, and until this personal information is protected from all these people it's gonna be an ongoing Campaign of Incidents.

⑩ This case should have if anything been (partially) dismissed and partial judgement in my favor (But) It's a fact my character been damaged, credit damaged, Fraudulent taxes filed in my Name / Federal Taxes were filed in my name and I am Entitled to Every penny & Legally taken to Be Re-imbursed to me.

⑪ If anything being I should have been granted all asked by me SEDC responsible for protecting me and personal information.

⑫ Judge Benjamin Rulings in this case was for years and my rights weren't respected. Venue: This courts have venue of this case and its issues

Conclusion: Case be overturned and all stated be granted as well an Attorney to Assure all be properly handled.
