Ms. Johnson:

I tried to return your telephone call, but I got your voicemail. I received your email regarding the above-referenced PCR appeal and required explanation required by Rule 243(c) or in the alternative, the response allowed under Dennison v. State.

I am a Solo Practitioner, and I was in hearings all last week and on Monday and Tuesday of this week. I have also been preparing for two criminal trials scheduled for next week in General Sessions Court in Orangeburg and St. George. Also, on March 1, 2016, I could not come into work because I woke up with excruciating pain in my foot. I was diagnosed with a heel spur. I respectfully request a 5 day extension to file the explanation. Thanking you in advance for your consideration.
