RESPONDENT'S MOTION  
FOR EXTENSION OF TIME

---

Respondent Tony Megna hereby moves this Court for an extension of time in which to file his Initial Brief and Designation of Matter. Appellant's brief was filed on February 18, 2016 making Respondent's brief due on March 18, 2016. However, counsel for Respondent needs additional time in which to respond. In addition, simultaneously with this Motion, Respondent filed a Motion to Strike or Dismiss, or in the alternative to Conform to the Rules, arguing that

Appellant's brief has failed to properly cite to the record as required by Rule 208, SCACR. That Motion requests that this Court to either strike Appellant's brief and appeal, or in the alternative, require Appellant to amend his brief.

Thus, Respondent requests that this Court grant either a thirty-day extension from the current March 18, 2016 deadline, or, if the Court requires Appellant to amend his brief, set the deadline for thirty days after the filing of the amended brief.

Respectfully submitted,
