Membership and Account Agreement

This Agreement covers your and our rights and responsibilities concerning Accounts, Account services or other relationships with us, including without limitation loan, safe deposit boxes and other services South Carolina Federal Credit Union (Credit Union) offers. In this Agreement, the words you and yours mean anyone who signs a Member Plan Application or Account Change Card (Account Card) or is authorized to make transactions regarding your account(s) as provided herein or by governing law, including any account service(s). The words we, us, and our mean the Credit Union. The word account means any one or more share or other accounts you have with the Credit Union.

Your account type(s) and ownership features are designated on your Account Card. By signing an Account Card, each of you, jointly and severally, agree to the terms and conditions in this Agreement and Account Card, the Funds Availability Policy Disclosure, Truth-in-Savings Rate and Fee Schedule (Rate and Fee Schedule), and any Account Receipt accompanying this Agreement, and the Credit Union's Bylaws and policies, and any amendments to these documents from time to time which collectively govern your Membership and Accounts.

1. **Membership Eligibility.** To join the Credit Union you must meet the membership requirements including purchase and maintenance of at least one (1) share ("membership share") as set forth in the Credit Union's Bylaws. You authorize us to check your account, credit, and employment history, and obtain reports from third parties, including credit reporting agencies, to verify your eligibility for the accounts and services you request now and in the future.

2. **Single Party Accounts.** A single party account is an account owned by one member (individual, corporation, partnership, trust or other organization) qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the decedent's estate or Payable on Death (POD) beneficiary/payee or trust beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death.

3. **Multiple Party Accounts.** An account owned by two or more persons is a multiple party account.

a. **Rights of Survivorship.** Unless otherwise stated on the Account Card, a multiple party account includes rights of survivorship. This means when one owner dies, all sums in the account will pass to the surviving owner(s). A surviving owner's interest is subject to the Credit Union's statutory lien for the deceased owner's obligations, and to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it.

b. **Control of Multiple Party Accounts.** Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature of any other owner(s). Any owner may withdraw all funds, stop payment on items, transfer, or pledge to us all or any part of the shares without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners to act.

c. **Multiple Party Account Owner Liability.** If a deposited item in a multiple party account is returned unpaid, an account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction.

If any account owner is indebted to us, we may enforce our rights against any account of an owner or all funds in the multiple party account regardless of who contributed them.

4. Member Organization or Business Accounts. Accounts held in the name of a member, organization, or association for business purposes are subject to the same terms set forth in the Agreement and the following additional rules. The account owners agree to inform us of the persons authorized to transact business on behalf of the business or organization. We may rely on the account owner's written authorization until such time as we are informed of changes in writing. We may require that third party checks payable to a business may not be cashed, but must be deposited to a business account. We will have no notice of any breach of fiduciary duties arising from a transaction by any agent of the account owner, unless we have written notice of any wrongdoing.

5. POD/Trust Account Designations. A Payable on Death (POD) account or trust account designation is an instruction to the Credit Union that a single or multiple party account so designated is payable to the owner(s) during his, her or their lifetimes and, when the last account owner dies, payable to any named and surviving POD or trust beneficiary/payee. Accounts payable to more than one surviving beneficiary/payee are owned jointly by such beneficiaries/payees without rights of survivorship. Any POD or trust beneficiary/payee designation shall not apply to Individual Retirement Accounts (IRAs) which are governed by a separate beneficiary/payee designation. We are not obligated to notify any beneficiary/payee of the existence of any account or the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law.

6. Accounts for Minors. We may require any account established by a minor to be a multiple party account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We require a minor to sign the Account Card if the minor can sign his or her own name. If the minor is unable to sign, the adult should sign for the child (e.g., "Mary Doe by John Doe, Father"). Any adult owner must also sign, even if he or she signed for the minor. We require a minor's signature on the Account Card before a minor can make a withdrawal on any account. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority, unless authorized in writing by all account owners.

7. Uniform Transfers/Gifts to Minors Account. A Uniform Transfers/Gifts to Minors Account (UTMA/UGMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the exclusive right and benefit of the minor and barring a court order otherwise, is the only party entitled to make deposits, withdrawals, or close the account. A custodian will not be allowed to pledge the account as collateral for a loan to the custodian. We have no duty to inquire about the use or purpose of any transaction. If the custodian dies, we may suspend the account, until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawal.

It is understood and agreed that a successor custodian may be the minor's legal guardian. If there is more than one legal guardian, the Credit Union can accept any such guardian as custodian. Upon acceptance of a successor custodian, no instruction from any other guardian will be accepted. It is agreed that funds deposited into such an account belong to the beneficiary. When the beneficiary reaches the age of majority, the funds may be paid or withdrawn by the beneficiary without notice or further action by us. If the beneficiary wishes to retain an account with us, the beneficiary can execute a new Member 1 Plan Application. Any authority to make transactions will then be governed by the new Member 1 Plan Application, and the authority of any custodian(s) will be terminated.

(continued)

8. Agency Designation on an Account. An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or Credit Union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent.

9. Powers of Attorney. The Credit Union may allow a third person acting as your attorney-in-fact to make transactions regarding your account(s), pursuant to a Power of Attorney, but has no obligation to do so. You agree that we have no obligation to verify the scope, authenticity, and validity of any Power of Attorney presented to us. If we accept the Power of Attorney, the Credit Union has no duty to inquire as to the use or purpose of any transaction(s) by your attorney-in-fact, and may restrict or refuse account access, withdrawals and transfers. Further, you agree to reimburse the Credit Union for all costs and expenses, including attorneys' fees, we incur and agree to indemnify us for any loss or other expense we incur from our acceptance of your Power of Attorney.

10. Deposit of Funds Requirements. Funds may be deposited to any account, in any manner approved by the Credit Union in accordance with the requirements set forth on the Rate and Fee Schedule.

a. **Endorsements.** We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one or more account owners even if they are not endorsed by all payees. All owners are deemed to receive the benefit of all deposits and the proceeds of such deposits; and we may give cash back to any payee. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft or item that is payable to two or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement as set forth on the back of the check or draft, we may require endorsement as set forth on the item. Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility.

b. **Collection of Items.** We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. Deposits made by mail or at unstaffed facilities are not our responsibility until we receive them. We are not liable for the negligence of any correspondent or for loss in transit, and each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account.

c. **Final Payment.** All items or Automated Clearing House (ACH) transfers credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items or ACH transfers and impose a return item charge on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or funds transfer.

d. **Direct Deposits.** We may offer preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize each direct deposit or preauthorized transfer by filling out a separate form. You must notify us at least thirty (30) days in advance to cancel or change a direct deposit or transfer option. Upon a bankruptcy filing, unless you cancel an authorization we will continue making direct deposits in accordance with your authorization on file with us. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

e. **Crediting of Deposits.** Deposits made after the deposit cutoff time and deposits made on either holidays or days that are not our business days will be credited to your account on the next business day.

(continued)

f. **Deposit At ATM and Night Deposit Facilities.** All deposits and payments made at an ATM that we own, or at one of our night deposit facilities are subject to the provisions and check collection procedures as disclosed to you in our "Funds Availability Policy."

Deposit transactions of cash and other items to your account(s) can only be accepted at specifically designated ATMs. Not all of our ATMs can process deposit transactions. If you make a deposit or payment at an ATM, you agree that the correct amount in the event of discrepancy between a written receipt or deposit slip will be the amount that the Credit Union finds in the envelope used to make the transaction. You further agree that the credit to account(s) for non-cash items will be conditional until we can collect the item. If we cannot collect the amount of a non-cash item, the amount will be deducted from your account.

11. Account Access.

a. **Authorized Signature.** Your signature on the Member 1 Plan Application authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any draft that appears to bear your facsimile signature even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account number even if you do not authorize a particular transaction.

b. **Authorized User(s).** You should exercise caution in providing authority, information, documentation or access devices to others. All withdrawals, transfers and transactions made by any person to whom you provide authority or the means to access your accounts or other services shall be deemed authorized by you, and the Credit Union will not have any responsibility or liability whatsoever for such withdrawals, transfers or other transactions. Further, you and the person authorized (as defined herein) shall be jointly and severally responsible to the Credit Union for all such access or use of your accounts and services with us.

c. **Access to Account Information.** You agree that all owners and authorized users, may have access to all of the information you provide to us, or which we gather and maintain regarding our relationships with you. This includes, but is not limited to information regarding transactions, account history, your loan relationships with us, and other information relating to or arising with regard to any of your accounts, loans or other services with us. You acknowledge and agree that any owner of a joint account or service, or any co-borrower may provide authority to others, who will have access to all such information as to all owners and/or co-borrowers. Further, if a single account card is used to establish multiple forms of membership (e.g., A single card is used to open a joint share account for A & B, and also a checking account for B only) we are authorized to send a single statement jointly to all parties, which may provide such information as to all accounts evidenced by or opened through the single account card.

d. **Access Options.** You may withdraw or transfer funds from your account(s) in any manner we permit (e.g., at an automated teller machine, in person, by mail, automatic transfer, or telephone, as applicable). We may return as unpaid any draft drawn on a form we do not provide, and you are responsible for any loss we incur handling such a draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We are under no obligation to honor any power of attorney.

If you have joint share account(s) you will be responsible for any withdrawals obtained by a joint owner from any share account or share draft account. This includes direct or indirect access of the share account or share draft account by the joint owner through an access device, iTeller, or Teller Talk. You agree that the joint owner also has access to all share and loan information via an access device, iTeller, or Teller Talk.

e. **Telephone Requests.** You agree that funds in any account(s) with us can be transferred, upon the telephone request of any signer on the account, to another account with us or to any other financial institution. We shall not be responsible for any loss incurred as a result of our acting upon or executing any request, order or instruction we believe to be genuine. Further-more, we reserve the right to refuse to execute any telephone request or order.

(continued)

f. **ACH & Wire Transfers.** If we provide the service, you may initiate or receive credits or debits to your account through wire or ACH transfer. You agree that if you receive funds by a wire or ACH transfer, we are not required to notify you at the time the funds are received. Instead, the transfer will be shown on your periodic statement. We may provisionally credit your account for an ACH transfer before we receive final settlement. We may reverse the provisional credit or you will refund us the amount if we do not receive final settlement.

When you initiate a wire transfer, you may identify either the recipient or any financial institution by name and by account or identifying number. The Credit Union (and other institutions) may rely on the account or other identifying number as the proper identification even if it identifies a different party or institution. If a wire transfer is cleared through the Federal Reserve, Regulation J governs the transaction(s). The "Funds Transfer Business Days" are Monday through Friday excluding holidays. All wire transfer requests prior to 4:00 p.m. will be processed the same day. Unless otherwise disclosed at the time of your request the transfer will take place immediately and you will not have the right to cancel the request. Security procedures may be established to verify the authenticity of your payment order. If the request is by phone or fax, the credit union will identify you by verifying specific activity information on your account, such as the amount and date of your last deposit, your payroll deduction amounts, and so on. You agree that the authenticity of payment orders may be verified by using this security procedure unless you notify the credit union in writing that you do not agree to that security procedure before the payment order is executed by us. In that event, the credit union shall have no obligation to accept any payment order from you or other authorized parties on the account until you and the credit union agree, in writing, on an alternate security procedure. For business members, a corporate resolution (or partners/proprietors letter) is required authorizing the credit union to provide wire transfer services.

g. **Checking Accounts.** The Credit Union may refuse any check or other item drawn against your account or used to withdraw funds from your account if it is not on a form approved by us. We also reserve the right to refuse any check or other item drawn against your account or used to withdraw funds from your account if made in a manner not specifically authorized for your account, if made more frequently or in a greater number than specifically permitted for your account.

If we accept a check or other item not on a form approved by us, you will be responsible for any loss by us in handling the item. We may pay checks or other items drawn upon your account in any order determined by us, even if paying a particular check or item results in an insufficient balance in your account to pay one or more other items that otherwise could have been paid out of your account.

Because of the nature of the Credit Union check program, neither the Credit Union nor any other processing entities shall be responsible for the authenticity of the checks with regard to the signature or alterations; and checks, when presented, shall be paid without verification.

You agree that we do not fail to use ordinary care because our procedures do not provide for sight examination. You agree to take precaution in safeguarding your blank checks. You will notify us immediately if you learn or have reason to know that any of your checks have been lost or stolen. If you are negligent in safeguarding your checks, we will not have any liability or responsibility for any losses you incur as a result of fraud or forgery if we pay any such check in good faith pursuant to standard commercial practices.

CHECKS FROM SOURCE OTHER THAN CREDIT UNION APPROVED VENDOR: The Credit Union approves the vendor(s) for check printing due to their high standards. Other companies that provide check printing services may not meet the high standards of our approved vendor(s). Therefore, you acknowledge and agree that we have no responsibility or liability to you whatsoever resulting, arising or relating from/to: non-payment; returns as no account/insufficient funds or otherwise; or any other processing/payment error with regard to any check that is not printed by our approved vendor(s).

(continued)

h. Credit Union Examination. We may disregard information on any draft or check, other than the signature of the drawer, the amount and any magnetic encoding. You agree we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

12. Account Rates and Fees. We pay account earnings and assess fees against your account as set forth in the Rate and Fee Schedule. We may change the Rate and Fee Schedule at any time and will notify you as required by law.

13. Transaction Limitations.

a. Withdrawal Restrictions. We permit withdrawals only if your account has sufficient available funds to cover the full amount of the withdrawal or you have an established overdraft protection plan. Drafts or other transfer or payment orders which are drawn against insufficient funds may be subject to a service charge set forth in the Rate and Fee Schedule. If there are sufficient funds to cover some, but not all, of your withdrawal, we may allow those withdrawals for which there are sufficient funds in any order at our discretion.

We may refuse to allow a withdrawal in some situations, and will advise you accordingly; for example: (1) a dispute between account owners (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; (5) you fail to repay a Credit Union loan on time. We may require you to give written notice of seven (7) days to sixty (60) days before any intended withdrawals.

b. Transfer Limitations. For share savings and money market accounts, if applicable, you may make up to six (6) preauthorized, automatic, telephonic, or audio response transfers to another account of yours or to a third party during any calendar month. Of these six, you may make no more than three (3) transfers to a third party by check or debit card. A preauthorized transfer includes any arrangement with us to pay a third party from your account upon oral or written orders including orders received through the automated clearing house (ACH). You may make unlimited transfers to any of your accounts or to any Credit Union loan account and may make withdrawals in person, by mail, or at an ATM. However, we may refuse or reverse a transfer that exceeds these limitations and may assess fees against, suspend or close your account.

14. Certificate Accounts. Any time deposit, term share, share certificate, or certificate of deposit account allowed by state law (Certificate Account), whichever we offer, is subject to the terms of this Agreement, the Rate and Fee Schedule and Account Deposit Receipt for each account the terms of which are incorporated herein by reference.

15. Overdrafts.

a. Overdraft Liability. If on any day, the funds in your share account are not sufficient to cover drafts, fees or other items posted to your account, those amounts will be handled in accordance with our overdraft procedures or an overdraft protection plan you have with us. The Credit Union's determination of an insufficient account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. We do not have to notify you if your account does not have funds to cover drafts, fees or other posted items. Whether the item is paid or returned, your account may be subject to a charge as set forth in the Rate and Fee Schedule. Except as otherwise agreed in writing, we, by covering one or any overdraft, do not agree to cover overdrafts in the future and may discontinue covering overdrafts at any time without notice. If we pay a draft or impose a fee that would otherwise overdraw your account, you agree to pay the overdrawn amount immediately. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor bank extra time beyond any midnight deadline limits.

b. Overdraft Protection Plan. If we have approved an overdraft protection plan for your account, we will honor drafts drawn on insufficient funds by transferring funds from another

account under this Agreement or a loan account, as you have directed, or as required under the Credit Union's overdraft protection policy. The fee for overdraft transfers, if any, is set forth on the Rate and Fee Schedule. This Agreement governs all transfers, except those governed by agreements for loan accounts.

16. Postdated and Staledated Drafts. We may pay any draft without regard to its date unless you notify us of a postdating. The notice must be given to us in time so that we can notify our employees and reasonably act upon the notice and must accurately describe the draft, including the exact number, date, and amount. You understand that the exact information is necessary for the Credit Union's computer to identify the draft. We are not responsible if you give us an incorrect or incomplete description, or untimely notice. You may make an oral notice which lapses in fourteen (14) calendar days unless confirmed in writing. A written notice is effective for six (6) months and may be renewed in writing from time to time. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account which is presented more than six (6) months past its date.

17. Stop Payment Orders.

a. Stop Payment Order Request. You may request a stop payment order on any draft drawn on your account. To be binding an order must be in writing, dated and describe the account and draft number and the exact amount. The stop payment will be effective if the Credit Union receives the order in time for the Credit Union to act upon the order and you state the number of the account, number of the draft, and its exact amount. You understand that the exact information is necessary for the Credit Union's computer to identify the draft. If you give us incorrect or incomplete information, we will not be responsible for failing to stop payment on the draft. If the stop payment order is not received in time for us to act upon the order, we will not be liable to you or to any other party for payment of the draft. If we recredit your account after paying a draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer to us all of your rights against the payee or other holders of the draft and to assist us in any legal action.

b. Duration of Order. You may make an oral stop payment order which will lapse within fourteen (14) calendar days unless confirmed in writing within that time. A written stop payment order is effective for six (6) months and may be renewed in writing from time to time. We do not have to notify you when a stop payment order expires.

c. Liability. Fees for stop payment orders are set forth on the Rate and Fee Schedule. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees, damages or claims related to our refusing payment of an item, including claims of any multiple party account owner, payee, or indorsee in failing to stop payment of an item as a result of incorrect information provided by you.

18. Credit Union Liability. If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if: (1) your account contains insufficient funds for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We exercise ordinary care if our actions or nonactions are consistent with applicable state law, federal reserve regulations and operating letters, clearinghouse rules, and general banking practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Account Agreement. Any conflict between what you or our employees may say or write will be resolved by reference to this Agreement.

(continued)

19. **Credit Union Lien and Security Interest.** If you owe us money as a borrower, guarantor, endorser, account owner, or otherwise, we have a statutory lien on the account funds in any account in which you have an ownership interest, regardless of their source, unless prohibited by law. We may apply these funds, without further notice to you, in any order to pay off your indebtedness. By not enforcing a lien, we do not waive our right to enforce it later. In addition, you grant the Credit Union a consensual security interest in any accounts you have an ownership interest and we may use the funds from these accounts to pay any debt or amount now or hereafter owed the Credit Union, except for obligations secured by your residence, unless prohibited by applicable law. All accounts are nonassignable and nontransferable to third parties.

20. **Legal Process.** If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

21. **Account Information.** Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

22. **Notices.**

a. **Name or Address Changes.** You are responsible for notifying us of any address or name change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. We may accept oral notices of a change in address and may require any other notice from you to us be provided in writing. If we attempt to locate you, we may impose a service fee as set forth on the Rate and Fee Schedule.

b. **Notice of Amendments.** Except as prohibited by applicable law, we may change the terms of this Agreement. We will notify you of any changes in terms, rates, or fees as required by law. We reserve the right to waive any term in this Agreement. Any such waiver shall not affect our right to future enforcement.

c. **Effect of Notice.** Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. Mail, postage prepaid and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.

23. **Taxpayer Identification Numbers and Backup Withholding.** Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

24. **Statements.**

a. **Contents.** If we provide a periodic statement for your account, you will receive a periodic statement of transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one statement is necessary for a multiple party account. For share draft or checking accounts, you understand and agree that your original draft, when paid, becomes property of the Credit Union and may not be returned to you, but copies may be retained by us or payable through financial institutions and made available upon your request. You understand and agree that statements are made available to you on the date they are mailed to you. You also understand and agree that drafts or copies thereof are made available to you on the date the statement is mailed to you, even if the drafts do not accompany the statement.

(continued)

b. **Examination.** You are responsible for examining each statement and reporting any irregularities to us. We will not be responsible for any forged, altered, unauthorized or unsigned items drawn on your account if: (1) you fail to notify us within thirty-three (33) days of the mailing date of the earliest statement regarding any forgery, alteration or unauthorized signature on any item described in the statement; or (2) any items are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of a facsimile signature machine.

c. **Notice to Credit Union.** You agree that the Credit Union's retention of drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes and we will not be liable for any payment made or charge to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement you agree to notify us within fourteen (14) days of the time you regularly receive a statement.

25. **Inactive Accounts.** If your account falls below any applicable minimum balance and you have not made any transactions over a period specified in the Rate and Fee Schedule during which we have been unable to contact you by regular mail, we may classify your account as inactive or dormant. Unless prohibited by applicable law, we may charge a service fee set forth on the Rate and Fee Schedule for processing your inactive account. If we impose a fee, we will notify you, as required by law, at your last known address. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency.

26. **Special Account Instructions.** You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a signed Account Change form and accepted by us.

27. **Termination of Account.** We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any share drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us; or (8) the Credit Union incurs any loss relating to any loan(s), account(s) or service(s) you have with us; (9) if we believe you have been negligent in protecting any access devices or codes; (10) you breach any promise under this Agreement; or (11) you refuse or fail to cooperate as provided in this Agreement. You may terminate a single party account by giving written notice. We reserve the right to require the consent of all owners to terminate a multiple party account. We are not responsible for payment of any draft, withdrawal, or other item after your account is terminated, however, if we pay an item after termination, you agree to reimburse us.

28. **Termination of Membership.** You may terminate your membership by giving us notice. You may be denied services or expelled for any reason allowed by applicable law, including causing a loss to the Credit Union.

(continued)

29. **Death of Account Owner.** We may continue to honor all transfer orders, withdrawals, deposits and other transactions on an account until we are notified of a member's death. Once we are notified of a member's death, we may pay drafts or honor other payments or transfer orders authorized by the deceased member for a period of ten (10) days after that date unless we receive instructions from any person claiming an interest in the account to stop payment on the drafts or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

30. **Severability.** If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

31. **Enforcement.** You are liable to us for any loss, cost or expense we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such loss, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.

32. **Indemnity.** If you ask us to follow instructions that we believe might expose us to claims, suits, losses, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require a bond or other protections. An example of the kind of protection asked for would be your promise to protect the Credit Union against any claims (an indemnity).

33. **Governing Law.** This Agreement is governed by the Credit Union's Bylaws, federal laws and regulations, the laws, including applicable principles of contract law, and regulations of the state in which the Credit Union's main office is located, and local clearinghouse rules, as amended from time to time. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the Credit Union is located.

LOANLINER® Credit and Security Agreement

This LOANLINER® Credit and Security Agreement, which includes the Truth in Lending Disclosures, will be referred to as the Plan. The Plan documents include this agreement and an Addendum. You, your and borrower mean any person who signs the Plan. Credit union, we, our and us mean South Carolina Federal Credit Union or anyone to whom the Credit Union transfers its rights under the Plan.

HOW THIS PLAN WORKS — This is an open-end, multi-featured credit plan. We anticipate that, from time to time, you will borrow money (called "advances") under the Plan. We are not required to make advances to you under the Plan and can refuse a request for an advance at any time. The Addendum describes the different types of credit (called "subaccounts") available under the Plan, the current interest rate for each subaccount expressed as a daily periodic rate and corresponding annual percentage rate and other charges. It may also have other terms and a schedule for determining the payment amounts.

CREDIT LIMIT — We may, but do not have to, establish a credit limit on certain subaccounts. If a credit limit is set for a subaccount, you promise not to exceed the established credit limit. If you exceed the credit limit, you promise to repay immediately the amount which exceeds the credit limit.

REPAYMENT — You promise to repay all amounts you owe under the Plan plus interest. Payments are due on the last day of the month unless we set a different day at the time of an advance. If the Addendum has no payment schedule for a subaccount, your payment will be determined at the time of each advance. Payments must include any amount past due and any amount by which you have exceeded any credit limit you have been given for a subaccount. You may repay all or part of what you owe at any time without any prepayment penalty. Even if you prepay, you will still be required to make the regularly scheduled payments unless we agree in writing to a change in the payment schedule. I understand and agree that a joint owner of any account that can be used to access my line of credit directly or indirectly with this access device. I accept full responsibility and agree to pay for all transactions and credit advances made with any access device issued pursuant to this request by any such joint account owner or other authorized user. Unless otherwise required by law, payments will be applied to amounts owed under the Plan, in the manner the Credit Union chooses.

PLAN ACCESS — You can obtain credit advances in any manner authorized by us. If we allow you to use your ATM/Debit card to access the Plan, you may be liable for the unauthorized use of your ATM/Debit card. You will not be liable for unauthorized use that occurs after you notify us, orally or in writing, of the loss, theft, or possible unauthorized use. If you believe your ATM/Debit card has been lost or stolen, immediately inform the Credit Union by calling or writing us at the telephone number or address that appears elsewhere in the Plan. If the card is used to obtain unauthorized advances directly from the Plan, your liability will not exceed \$50. If the unauthorized withdrawal is from a sharedraft account, your liability is governed by the Regulation E disclosures you received at the time you received your ATM/Debit card, even if the withdrawal results in an advance being made from your overdraft subaccount.

FINANCE CHARGE — The dollar amount you pay for money borrowed is called a "finance charge" and begins on the date of each advance. A finance charge will be computed separately for each separate balance under the Plan. To compute the finance charge, the unpaid balance for each day since your last payment (or since an advance if you have not yet made a payment) is multiplied by the applicable daily periodic rate. The sum of these amounts is the finance charge owed. The balance used to compute the finance charge is the unpaid balance each day after payments and credits to that balance have been subtracted and any additions to the balance have been made. In addition to interest, we may charge other finance charges which are disclosed on the Addendum. If the interest rate is a variable interest rate, the Addendum explains how the variable interest rate works.

CPFM00 (MOO)

(continued)

SECURITY — You pledge as security for the Plan all shares and dividends and, if any, all deposits and interest in all joint and individual accounts you have with us now and in the future. If a specific dollar amount is pledged for an advance, we will freeze shares in that account to the extent of the outstanding balance for the advance. Otherwise, your pledged shares may be withdrawn unless you are in default. **Statutory Lien** — If you are in default on a financial obligation to us, federal law gives us the right to apply the balance of shares and dividends in all individual and joint accounts you have with us to satisfy that obligation. After you are in default, we may exercise this right without further notice to you. The statutory lien and/or your pledge will allow us to apply the funds in your account(s) to what you owe when you are in default. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given as security.

Additional security for the Plan may be required at the time of an advance. If a subaccount identifies a type of property (such as "New Cars") you must give that type of property as security when you get an advance under that subaccount. A subaccount name such as "Other Secured" means you must provide security acceptable to us when you obtain an advance under that subaccount. Property you give as security will secure all amounts owed under the Plan and all other loans you have with us now or in the future, except any loan secured by your principal dwelling. Property securing other loans you have with us may also secure the Plan.

CREDIT INSURANCE — Credit life and/or credit disability insurance is optional under the Plan. If you qualify for and purchase the insurance from us, you authorize us to add the insurance premiums monthly to your loan balance and charge you interest on the entire balance. If you elect credit insurance, your payments may increase or the period of time necessary to repay your advance may be extended. The credit insurance rates may change during the Plan. If the rates change, we will provide any notices required by applicable law.

PERIODIC STATEMENT — On a regular basis you will receive a statement showing all transactions under the Plan during the period covered by the statement. Statements and notices will be sent to you at the most recent address you have given us in writing. Unless applicable law requires notice to each joint borrower, notice to any one of you will be notice to all.

JOINT ACCOUNTS — If this is a joint account, each of you is individually and jointly responsible for paying all amounts owed. That means we can enforce our rights under the Plan against any one of you individually or against all of you together. If you give us inconsistent instructions, we can refuse to follow your instructions. Unless our written policy requires all of you to sign for an advance, each of you authorizes the other(s) to obtain advances individually and agrees to repay advances made to the other(s). Any joint account holder may terminate the Plan by giving us prior written notice. If any of you terminate the Plan, the Plan is terminated for all of you. You remain liable individually and jointly for all advances incurred before termination.

FEES AND CHARGES — If you give us a security interest in certain types of property, we may charge you a filing fee to perfect our interest in the property. If we do, the amount of the fee will be disclosed to you at the time you obtain an advance. We may also charge you other fees in connection with the Plan. Our current fees are disclosed on the Addendum and will be added to your loan balance unless you pay them in cash.

UPDATING CREDIT INFORMATION — You promise that you will promptly give us written notice if you move, change your name or employment, or if any other information you provided to us changes. Upon our request, you also agree to provide us updated financial information.

DEFAULT — *The following paragraph applies to borrowers in Idaho, Kansas and Maine:* You will be in default if you do not make a payment of the amount required when it is due. You will also be in default if we believe the prospect of payment, performance, or realization on any property given as security is significantly impaired.

The following paragraph applies only to borrowers in Wisconsin: You will be in default if you fail to make a payment when due two times during any 12 month period. You will be in default if

(continued)

breaking any promise made under the Plan materially impairs your ability to repay what you owe or materially impairs the condition, value, or protection of or our right in any property you gave as security.

The following paragraph applies only to borrowers in Iowa: You will be in default if you are more than 10 days late in making a payment. You will also be in default if you do not comply with the terms of the Plan and your failure to comply materially impairs any property you gave as security or your ability to repay what you owe under the Plan.

The following paragraph applies to borrowers in all other states: You will be in default if you do not make a payment of the amount required when it is due. You will be in default if you break any promise you made under the Plan or if anyone is in default under any security agreement made in connection with an advance under the Plan. You will be in default if you die, file for bankruptcy, become insolvent, if you make any false or misleading statements in any credit application or update of credit information, or if something happens we believe may substantially reduce your ability to repay what you owe. You will also be in default under the Plan if you are in default under any other loan agreement with us.

ACTIONS AFTER DEFAULT — *The following paragraph applies to borrowers in Colorado, District of Columbia, Iowa, Kansas, Maine, Massachusetts, Missouri, Nebraska and West Virginia:* When you are in default and after expiration of any right you have under applicable state law to cure your default, we can demand immediate payment of the entire unpaid balance under the Plan without giving you advance notice.

The following paragraph applies to borrowers in all other states except Wisconsin and Louisiana: When you are in default, we can require immediate payment (acceleration) of the entire unpaid balance under the Plan. You waive any right you have to demand for payment, notice of intent to accelerate and notice of acceleration.

The following paragraphs apply to borrowers in all states except Wisconsin and Louisiana: If immediate payment is demanded, you will continue to pay interest until what you owe has been repaid at the applicable interest rates in effect or, if applicable, at the default rate disclosed on the Addendum. If a demand for immediate payment has been made, your shares and/or deposits can be applied towards what you owe as provided in the section above called "Security." We can also exercise any other rights given by law when you are in default.

You agree the Credit Union has the right to take possession of any property given as security under the Plan, without judicial process, if this can be done without breach of the peace. If we ask, you promise to deliver the property at a time and place we choose. We will not be responsible for any other property, not covered by this Agreement, that you leave inside the property or that is attached to the property. We will try to return that property to you or make it available to you to claim.

After we have possession of the property, we can sell it and apply the money to any amounts you owe us. We will give you notice of any public sale or the date after which a private sale will be held. Our expenses for taking possession of and selling the property will be deducted from the money received from the sale. Those costs may include the cost of storing the property, preparing it for sale and attorney's fees to the extent permitted under state law or awarded under the Bankruptcy Code. The rest of the sale money will be applied to what you owe under the Plan.

You will also have to pay any amount that remains unpaid after the sale money has been applied to any unpaid balance under the Plan. You agree to pay interest on that amount at the same rate as the advance, or, if applicable, at the default rate disclosed on the Addendum, until that amount has been paid.

The following paragraph applies only to Wisconsin borrowers: When you are in default and after expiration of any right you have under applicable state law to cure your default, we may require immediate payment of your outstanding loan balance under the Plan and seek possession of property given as security. You may voluntarily give the property to us if you choose, or we may seek to take possession of the property by judicial process. If we repossess the property, you

agree to pay reasonable expenses incurred in disposing of the property. If the property is a motor vehicle, mobile home, trailer, snowmobile, boat or aircraft, you will also be required to pay any costs permitted by Section 422.413 of the Wisconsin Statutes.

The following paragraph applies only to Louisiana borrowers: When you are in default, we can require immediate payment (acceleration) of the entire unpaid balance under the Plan. You waive any right you have to demand for payment, notice of intent to accelerate and notice of acceleration. If immediate payment is demanded, you will continue to pay interest until what you owe has been repaid at the applicable interest rates in effect unless a default rate is disclosed on the Addendum. If a demand for immediate payment has been made, the shares and deposits given as security for the Plan can be applied towards what you owe. We can also exercise any other rights given by law when you are in default and our rights under any security agreements you have with us.

CANCELLING OR CHANGING THE PLAN — The following paragraph applies only to borrowers in Wisconsin: We can change the terms of the Plan from time to time in accordance with Section 422.415 of the Wisconsin Statutes. You will be notified of any change in terms. An increase in the daily periodic rate under a variable rate interest rate is not considered a change in terms under the Plan. We can cancel the entire Plan or any part of the Plan at any time. You may cancel the Plan at any time by giving us prior written notice. Your obligation to pay the unpaid balances under the terms of the Plan continues whether you or the credit union cancel the Plan, except to the extent that your liability is limited by Section 422.4155 of the Wisconsin Statutes.

The following paragraph applies only to borrowers in Iowa: We can change the terms of the Plan from time to time after giving you any advance notice required by law. A change that increases the rate of finance charge or other charge, that increases the amount of your payments, or that otherwise adversely affects existing balances will apply to existing balances only if you agree to the change or you use the Plan after receiving notice that your use of the Plan means you agree the change applies to existing balances.

The following paragraph applies to borrowers in all other states: We have the right to change the terms of the Plan from time to time after giving you any advance notice required by law. Any change in the interest rate will apply to future advances, and at our discretion and subject to any requirements of applicable law, will also apply to unpaid balances.

The following paragraph applies to all but Wisconsin borrowers: An increase in the daily periodic rate under a variable interest rate is not considered a change in terms under the Plan. We can cancel the entire Plan or any part of the Plan at any time. You may cancel the Plan at any time by giving us prior written notice. Your obligation to pay the unpaid balances under the terms of the Plan continues whether you or the Credit Union cancel the Plan.

DELAY IN ENFORCING RIGHTS AND CHANGES IN THE PLAN — We can delay enforcing any of our rights under this Plan any number of times without losing the ability to exercise our rights later. We can enforce this Plan against your heirs or legal representatives. If we change the terms of the Plan, you agree that this Plan will continue to protect us.

CONTINUED EFFECTIVENESS — If any part of this Plan is determined by a court to be unenforceable, the rest will remain in effect.

NOTICE TO UTAH BORROWERS — This written agreement is a final expression of the agreement between you and the Credit Union. This written agreement may not be contradicted by evidence of any oral agreement.

The following is required by Vermont law — NOTICE TO CO-SIGNER — YOUR SIGNATURE ON THIS NOTE MEANS THAT YOU ARE EQUALLY LIABLE FOR REPAYMENT OF THIS LOAN. IF THE BORROWER DOES NOT PAY, THE LENDER HAS A LEGAL RIGHT TO COLLECT FROM YOU.

(continued)

The following paragraphs apply if you give security in connection with an advance under the Plan. They apply to borrowers in all states except Louisiana. Louisiana borrowers will execute a separate security agreement. Borrowers in other states may also be asked to execute a separate security agreement.

THE SECURITY FOR THE PLAN — You give us what is known as a security interest in all property described in any receipt, voucher or other document you receive for an advance ("the Advance"). The security interest you give includes all accessions. Accessions are things which are attached to or installed in the property now or in the future. The security interest also includes any replacements for the property which you buy within 10 days of the Advance or any extensions, renewals or refinancing of the Advance. It also includes any money you receive from selling the property or from insurance you have on the property. If the value of the property declines, you promise to give us more property as security if asked to do so.

WHAT THE SECURITY INTEREST COVERS — The security interest secures the Advance described in the receipt, voucher or any other document you receive at the time of the Advance and any extensions, renewals or refinancings of the Advance. It also secures any other advances you have now or receive in the future under the Plan and any other amounts or loans, including any credit card loan, you owe us for any reason now or in the future, except any loan secured by your principal residence. If the property is household goods as defined by the Federal Trade Commission Credit Practices Rule, the property will secure only the Advance and not other amounts you owe.

OWNERSHIP OF THE PROPERTY — You promise that you own all property you give as security or if the Advance is to buy the property, you promise you will use the Advance for that purpose. You promise that no one else has any interest in or claim against the property that you have not already told us about. You promise not to sell or lease the property or to use it as security for a loan with another creditor until the Advance is repaid. You promise you will allow no other security interest or lien to attach to the property either by your actions or by operation of law.

PROPERTY INSURANCE, TAXES AND FEES — You must maintain property insurance on all property that you give as security under the Plan. You may purchase the property insurance from anyone you choose who is acceptable to the Credit Union. The amount and coverage of the property insurance must be acceptable to us. You may provide the property insurance through a policy you already have, or through a policy you get and pay for. You promise to make us the loss payee on the insurance policy and to deliver the policy or proof of coverage to us if asked to do so.

If you cancel your insurance and get a refund, we have a right to the refund. If the property is lost or damaged, we can use the insurance settlement to repair the property or apply it towards what you owe. You authorize us to endorse any draft or check which may be payable to you in order for us to collect any refund or benefits due under your insurance policy. You also promise to pay all taxes and fees (like registration fees) due on the property.

If you do not pay the taxes or fees on the property when due or keep it insured, we may pay these obligations, but we are not required to do so. Any money we spend for taxes, fees or insurance will be added to the unpaid balance of the advance and you will pay interest on those amounts at the same rate you agreed to pay on the advance. We may receive payments in connection with the insurance from a company which provides the insurance. We may monitor our loans for the purpose of determining whether you and other borrowers have complied with the insurance requirements of our loan agreements or may engage others to do so. The insurance charge added to an advance may include (1) the insurance company's payments to us and (2) the cost of determining compliance with the insurance requirements. If we add amounts for taxes, fees or insurance to the unpaid balance of an advance, we may increase your payments to pay the amount added within the term of the insurance or approximate term of the advance.

NOTICE — If you do not purchase the required property insurance, the insurance we may purchase and charge you for will cover only our interest in the property. The insurance will not be liability insurance and will not satisfy any state financial responsibility or no fault laws.

(continued)

PROTECTING THE SECURITY INTEREST — If your state issues a title for the property, you promise to have our security interest shown on the title. We may have to file what is called a financing statement to protect our security interest from the claims of others. If asked to do so, you promise to sign a financing statement. You also promise to do whatever else we think is necessary to protect our security interest in the property. You promise to pay all costs, including but not limited to any attorney fees, we incur in protecting our security interest and rights in the property, to the extent permitted by applicable law.

USE OF PROPERTY — Until the Advance has been paid off, you promise you will: (1) Use the property carefully and keep it in good repair. (2) Obtain our written permission before making major changes to the property or changing the address where the property is kept. (3) Inform us in writing before changing your address. (4) Allow us to inspect the property. (5) Promptly notify us if the property is damaged, stolen or abused. (6) Not use the property for any unlawful purpose.

NOTICE TO NORTH DAKOTA BORROWERS PURCHASING A MOTOR VEHICLE — THE MOTOR VEHICLE IN THIS TRANSACTION MAY BE SUBJECT TO REPOSSESSION. IF IT IS REPOSSESSED AND SOLD TO SOMEONE ELSE, AND ALL AMOUNTS DUE TO THE SECURED PARTY ARE NOT RECEIVED IN THAT SALE, YOU MAY HAVE TO PAY THE DIFFERENCE.

NOTICE FOR ARIZONA OWNERS OF PROPERTY — It is unlawful for you to fail to return a motor vehicle that is subject to a security interest, within thirty days after you have received notice of default. The notice will be mailed to the address you gave us. It is your responsibility to notify us if your address changes. The maximum penalty for unlawful failure to return a motor vehicle is one year in prison and/or a fine of \$150,000.

Your Annual Percentage Rate may vary depending on your creditworthiness. Please ask a loan officer for details regarding how your rate is determined.

Preferred Rate: A rate reduction of .50% will be given for members with Senior Service or Member Choice Checking Account when the loan payment is made by automatic payment. A rate reduction of .25% will be given for members other than Senior Service and Member's Choice when the loan payment is made by automatic draft.

Certificate Loan: The annual percentage rate (APR) will be the dividend rate being paid on the certificate offered as security plus 2%.

Minimum Payment: Minimum payment calculation for a Personal Access Line is 2% of the new balance rounded up to the nearest dollar. The minimum payment will never be less than \$10.00. When an advance is made on a loan having a zero balance, the first payment shall be due on the applicable due date of the month following the advance. When the subsequent advances result in an increase in the minimum monthly payment, such increase shall become effective on the applicable due date of the month following the month in which the advance is made.

Overdraft Advances on Personal Access Line: If you are approved for this loan type, you may write a check (share draft), or use an access card device issued by the Credit Union for an amount which overdraws your credit union checking account (share draft). Each advance or extension of credit will be added to your existing Open End loan balance, if any. We will credit your designated South Carolina Federal Credit Union checking account in an amount equal to any overdraft. We are under no obligation to honor requests for advances which will cause you to exceed your credit limit, however the Credit Union at its option may allow you to exceed your limit without permanently increasing your credit limit. We may make an advance to you directly for a specific amount at any of our offices or you may request that we make the advance to an account you have with us in writing or by phone. You agree to pay us, on demand, any amounts, which we may advance in excess of your credit limit.

Collection Costs: You promise to pay all costs of collecting the amount you owe under this agreement including court costs and reasonable attorney fees.

Late Charges: If you are 15 days or more late in making a payment, you may pay a late charge of 5% of the payment not to exceed \$11.50 with a minimum charge of \$4.60.

Within 30 days after you receive this certificate, you have the right to return the certificate to the credit union for cancellation; any premium paid by you will be immediately returned.

We certify that if we have been paid the premium shown in the schedule, you are insured for the coverage marked in the schedule, subject to the terms of the group policy issued to the credit union.

BENEFITS

Benefits are paid to your credit union to pay off or reduce your loan. If the benefits are more than the balance of your loan, the difference will be paid to:

- you, if you are living; or
- the beneficiary named by you, if any; or
- your estate.

Our payment will free us of our liability for the amount of that payment.

Death Benefit. If you die while you are insured for life coverage, we will pay the lesser of:

- the principal balance of your loan on the date of your death plus not more than six (6) months unpaid interest on your loan from the date of your last payment to the date of your death; or
- the maximum amount of life insurance.

For Joint Life Insurance Coverage, only one (1) death benefit will be paid under this certificate.

Total Disability Insurance Benefit. If you are insured for disability coverage, we will pay a benefit if you:

- file written proof that you became totally disabled while insured; and
- continue to be totally disabled for longer than the waiting period stated in the schedule.

Payment will be calculated beginning with the day shown in the schedule.

The monthly benefit for each full month that a benefit is payable will be the lesser of:

- the minimum monthly payment required on your loan on the date you became disabled; or
- the maximum monthly disability benefit.

For part of a month, we will pay a daily benefit that is 1/30th of the monthly benefit.

For Joint Disability Insurance Coverage, only one (1) monthly disability benefit will be paid even if both insureds are totally disabled at the same time.

Our benefit payments will stop on the earliest of the following dates:

- the date you are not totally disabled any more; or
- the date the insured portion of your loan has been repaid, refinanced, or otherwise stops; or
- the date the balance of your loan has been paid by a lump sum disability benefit under a credit life insurance policy; or
- the last day of the month in which you reach the age for insurance termination shown in the schedule; or
- the date on which the maximum number of monthly benefit payments shown in the schedule has been made; or
- the date of your death.

Definition of Total Disability. During the first 12 consecutive months of total disability, it means that you:

- can not do most of the duties of your job due to sickness or injury; and
- are under the care and treatment of a physician.

After you have been totally disabled for 12 months in a row, it means that you:

- can not do most of the duties of your job due to a sickness or injury; and
- are under the care and treatment of a physician; and
- are not doing the duties of any job for wages that are 75% or more of the wages of your own job on the date your total disability began, not including overtime or bonus.

You must give us proof of your continuing total disability from time to time.

If your total disability recurs:

- within 7 days after you have recovered from that period of total disability; and
- the recurrence is a result of the same condition;

we will consider this a continuation of that period of total disability.

However, if your total disability recurs more than 7 days after you have recovered from that period of total disability, we will consider it a new period of total disability regardless of whether the recurrence is the result of the same condition or a new condition.

EXCLUSIONS AND RESTRICTIONS

The following Exclusions and Restrictions apply to each insured.

Misstated Age. If you stated you are under the maximum age for insurance shown in the schedule, but you are not, we will: return your premium when we discover this; and not pay any benefits.

This applies to disability coverage as well as life coverage.

The following exclusion(s) apply to Credit Life Insurance Coverage.

Suicide. We won't pay a claim for any advance on your loan if you commit suicide within 12 months after the effective date of insurance on the advance. We will, however, refund the life insurance premium on that advance.

The following exclusion(s) apply to Credit Disability Insurance Coverage.

Pre-Existing Conditions. We won't pay a claim for any advance on your loan or return your disability insurance premium if your total disability:

- begins within six (6) months after the effective date of insurance on the advance; and
- results from or is related to any disease or bodily injury for which you received medical consultation, diagnosis or treatment at any time within the six (6) month period immediately preceding the effective date of insurance on the advance.

Other Credit Disability Insurance exclusions: We won't pay a claim for any advance on your loan or return your disability insurance premium if your total disability:

- is a result of normal pregnancy; or
- is a result of an intentionally self-inflicted injury.

WHEN INSURANCE STOPS

This insurance stops on the earliest of the following dates:

- the last day of the month in which we receive your written request to stop the insurance, or if earlier,

- the date of your death

WHAT THE CONTRACT IS AND HOW YOUR STATEMENTS AFFECT IT

The group policy, the application for the group policy, this certificate, including any endorsements, riders and amendments, and the attached member's enrollment form and schedule are the complete contract of insurance. The credit union cannot change this contract, waive any of its terms or make promises that will be binding on us.

All statements made by you are considered to have been made to the best of your knowledge and belief. No statement made by you with respect to your insurability can be used to void this insurance or deny a claim unless it is signed by you and is causally related to the contingency or event for which a claim arises.

After two (2) years from the effective date of insurance for an advance, no statement made by you with respect to your insurability can be used to void this insurance or deny a claim.

If you stated in your enrollment form that you are older than the maximum age for insurance, or if insurance is issued over the maximum amount, we will return the premium for the insurance issued in error if no otherwise payable claim has been submitted to us. Return of the premium will not prejudice an otherwise payable claim that arises in or prior to the month premium is returned.

HOW TO FILE A LIFE CLAIM

We must be given:

- a claim report;
- a copy of your loan records;
- insurance enrollment form/certificate; and
- a certified copy of the death certificate (or other lawful evidence); as proof of a life insurance claim.

HOW TO FILE A TOTAL DISABILITY CLAIM

You must contact us or your credit union about your total disability claim when you are eligible for benefits. Your credit union will provide you with claim forms, or you can simply send us written proof of your disability. That proof must show:

- the date and the cause of the total disability;
- how serious it is; and
- must be signed by a physician or a chiropractor.

The initial proof should be for the initial period of total disability, after you have completed the waiting period. After that, we will require proof of your continued disability, from time to time. You must send proof to us within 90 days after your total disability stops. If you cannot send proof to us within 90 days, you must do so as soon as you can. Unless you have been legally incapable of filing proof of total disability, we won't accept it if it is filed after one (1) year from the time it should have been filed. You can't start any legal action:

- until 60 days after you send us proof of your total disability; nor
- more than six (6) years after you send the proof.

CONFORMITY WITH STATE STATUTES

Any part of the group policy which, on the effective date of the group policy, conflicts with the statutes of the state where the group policy was delivered is changed to conform to the minimum standards of those statutes.

PHYSICAL EXAMINATION

We, at our own expense, have the right, and you must allow us the opportunity, to examine your person as often as is reasonably required while a claim is pending.

IRA owners receiving periodic payments, please note: Payments from your IRA are subject to federal income tax withholding, unless you elect no withholding. To change your withholding election, complete the appropriate form provided by your credit union. Withholding from IRA payments, when combined with other withholding, may relieve you from payment of estimated income taxes. However, your withholding election does not affect the amount of income tax you pay.

For OPEN END LOANS, we figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances/fees, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance.

FEE REFUNDS Our standard procedure is to refund fees only in the event of credit union error. Since fees are applied to cover the cost of processing, they may not be waived unless there has been a credit union error.

For OPEN END LOANS, we figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances/fees, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement-bill that are not in question. While we investigate your questions, we cannot report you as delinquent or take action to collect the amount you question.

Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)
