To whom it may concern at clerk of court, I would like the clerk of court to forward a copy of all my motions that I have filed through the court on my charges for the second time to my lawyer, Robert Hall. Being that I am the master of my defense I respectfully request you, Robert Hall to file these motions on behalf of myself. Records will show this is my 4<sup>th</sup> attempt to file these motions, two with my previous public defender Mary Shealy, and two with Robert Hall. On behalf of Bounds V Smith I request information on the 5 promos of identification, (Stovall Vs Denno) (Neil Vs. Biggers) (Manson Vs. Braithwaite.) I ask you Robert Hall, for the record in front of clerk of court and whom ever the presiding Judge is in my case the above material in detail be sent to me, and also begin working on killing witness testimony and suppress identification testimony, due to victim stating she was robbed by a very very black male in complexion, and also didn't pick me out of a 6

man line up being that I am light brown. I am also sending a motion to release counsel, I request the court hold this motion and not file it until I see if Robert Hall has my best interest at hand. I also would request detailed information on C.J.S. Criminal law Section 305 and Appellate ethical rules of lawyers and of public defenders.
