Re: Polly Thompson v. Cathy Swicegood, 2014-CP-37-00143  
Appellate Case No. 2015-001860

Dear Ms. Kitchings,

Enclosed please find the Appellant's Initial Reply Brief and Amended Designation of Matter. Also, I have previously filed a Motion to Stay the Appeal. That motion is still pending. It is my understanding that the time remains stayed in the case as a result of that motion despite the Respondent's filing of her initial brief or my filing of an initial reply. I confirmed this with your office last week. My filing of an initial reply brief is not intended to waive or withdraw my motion to stay. The initial reply brief will address issues in the motion to stay as well as the corresponding issues in the Respondent's Memorandum.

The Appellant's motion to stay was based on the existence of another appeal involving the same parties. The two appeals are somewhat intertwined. This Court remanded the other case back to the family court (Appellate Case No.: 2014-001109). My motion to stay was made in anticipation of such an event. It is my understanding that the attorney general has or will petition from that ruling. The other appeal therefore appears to remain in the appellate process. As a result, I believe that the Court will still need to address the motion to stay.

Sincerely,

J. Falkner Wilkes
