DALE MECK FEASTER,

The issue that counsel knows that may be preserved is the judge's interpretation of SC Code 23-03-470(A). Counsel does not read this the judge had to give 3 years mandatory active time. The judge made a finding on the record that he was required to give this much time and could not give a time served sentence for the months that I was incarcerated. Defense counsel believes it was within the judge's discretion and he did not consider this as he claimed he could consider nothing less than a 3 year minimum.

I know of no other issue that can be reviewed on appeal.
