Re: Danny B. Crane v. Raber's Discount Tire Rack
Appellate Case No. 2015-002116

Dear Counsel:

We are returning your extension motion to you as all timelines in the case are being held in abeyance to allow time for Respondent Raber's Discount Tire Rack to obtain new counsel pursuant to the Court's order dated March 17, 2016. A letter will be issued setting time for respondents' initial briefs and designations of matter, allowing 30 days in which to serve and file these documents. No fee is being returned to you as it appears that you did not include a motion fee with your filing.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jenny A. Kitchings".
