REFERENCE: State v. Debra Sheridan  
2015-GS-04-01175 and 01176

Dear Mr. Toney:

As you know, I received your transcript request letter dated December 9, 2015 and postmarked December 10, 2015 on January 4, 2016 due to some post office misdelivery problems followed by two weeks of vacation. As we have had a good deal of email communications and brief in-person discussion regarding the request I thought it prudent to briefly summarize where we are on this date.

I believe we are now on the same page that I was the reporter for the call of the case, the jury panel voir dire, jury selection and brief colloquy after jury selection only. Following those clarifications, I am also in receipt of your March 1, 2016 email indicating you intended the entire trial transcript and confirming you would like to order the record I took as well.

I then provided you, on March 1, 2016 with the \$120.00 deposit required information. Our brief conversation the week of March 7th indicated you are still working with your client to secure the deposit funds for both the beginning portion of the trial I reported for and the trial proper recorded by another reporter.

I believe I have summarized correctly; however, if I am in error please advise. I look forward to hearing from you once deposits are secured.

Sincerely,

*Vivian H. Cross*
