APPEAL FROM YORK COUNTY
Roger L. Couch, Circuit Court Judge
Trial Court Case No.: 2013-GS-4601543

Appellate Case No.: 2015-000237

Antonio Jordan

APPELLANT,

-versus-

THE STATE OF SOUTH CAROLINA

RESPONDENT.

MOTION TO AMEND PLEADINGS UPON RECEIPT OF TRANSCRIPTS

The Appellant was served with an 'Anders Brief and was given 30th days to file a Pro Se Reply/Objection to the Anders Brief. The Appellant then petitioned the Court requesting an extension of time to file. The

continued---

(page one of three)

Court granted Appellant two extensions to file.

[THE] basis of appellants need for the extension to file is because there are records of pre-trial proceedings that appellant has requested and due to initial-miscommunications between Court Administration and Court Reporter, The proceedings have not yet been transcribed by the Court Reporter.

See; the following supporting/verifying documents:

- (1). Memorandum from Court Administration dated 1/21/16 to Court Reporter Shirley Grooms.
(I have marked this document Exhibit A)
- (2) A letter from Court Reporter Shirley Broom to the Appellant which indicates why the proceedings have not been transcribed due to a misunderstanding, which Court Reporter thought the proceedings had taken place in Union, SC, when in fact, the proceedings took place in York, S.C. (See attachments)

[THE], The Appellant believes these supporting documents are critical to his being able to sufficiently demonstrate to this Honorable Court in his Pro Se Response To Anders Brief that his case does have merit and that there are issues that Appellate Counsel is over looking that need to be briefed and a presentation of the transcripts of the pre-trial proceedings will support appellants legal position and claims....

The Appellant further vehemently asserts that without the documents, It cannot be said, he has been given a fundamentally fair opportunity to Respond/Reply to the Ander Brief.

' R E L I E F R E Q U E S T E D '

[THEREFORE], The Appellant would pray that this Honorable Court either hold these proceedings in 'Abeyance' until the Court Reporter can transcribe the pre-trial proceedings and provide appellant with copies, affording appellant 10 day upon receipt of transcripts to file his Pro Se Anders Reply Brief 'OR' take notice that appellant would ask that he be allowed to amend his Pro-Se Reply To Anders Brief upon receipt of

the transcripts of the pre-trial proceedings from the Court Reporter..

Re: State v. Jordan

Dear Mr. Jordan:

Please be advised that I am in receipt of your transcript order regarding a bond hearing in the above-referenced matter. In checking my schedule and records, it appears that there was no court held in Union, SC on June 9th, 2014 before Judge Alford. I also checked my records for the entire week of the 9th and find that there was nothing held in this matter during that week. If you could possibly check to see if you have the correct date, (maybe you have the wrong year) I will be happy to check other dates.

Thanking you, I am

Sincerely,

Re; State Of South Carolina v. Antonio Jordan
Request For Transcription of four pre-trial proceedings.

Dear Court Reporter Shirley G. Broom,

Initially, I wrote to Phyllis M. Campo who was the Court Reporter assigned to Judge Alford during the pre trial proceedings, requesting transcripts...

However, I was informed that Ms. Campo was no longer employed with Court Administration and that Court Administration would locate the records I am requesting, and have someone contact me regarding the fee based on the number of pages...

[YOU] Then contacted me in the attached letter, dated February 12, 2016, stating that there were no proceedings held in Union, SC during the week of June 9, 2014, before Judge Alford....

[That] is where the mistake is being made by your office, [The] pre-trial proceedings were not held in Union, SC, [THEY] were, in fact, held in [Y O R K , S O U T H C A R O L I N A], before Judge Alford.

Dear Mr. Jordan:

Your letter was forwarded to this section for a response. In the letter received January 13, 2016, you are requesting transcripts from proceedings heard on February 8, 2014, February 16, 2014, and April 3, 2014. Phyllis M. Campo was the court reporter assigned to Judge Alford on those days. She is no longer employed by Court Administration. Her records are stored by Court Administration. Someone from our office will locate these records and transmit them to another court reporter to transcribe. The court reporter assigned to prepare the transcript will contact you with an estimated fee based on the number of pages.

Please be advised that court reporters have sixty days to prepare a transcript once satisfactory payment arrangements have been made. They may also ask for thirty-day extensions of time if they are unable to complete the transcript within sixty days. If you have further questions regarding court reporters and/or transcripts, feel free to contact this office.
