Re: Patricia Doller v. Lohr Plumbing, Inc.  
Appellate Case No. 2015-002618

Dear Counsel:

We received your letter dated March 29, 2016. According to Rule 207(a)(3), (4), and (5) of the South Carolina Appellate Court Rules, SCACR, if a court reporter anticipates further interruptions in completing the task of delivering the transcript, it is the court reporter's responsibility to request extensions from the Office of Court Administration. If no extension is requested by the court reporter, the appellant is responsible for contacting the Office of Court Administration directly. Therefore, it is not necessary for the appellant to request extensions for the delivery of the transcript from this Court.

Very truly yours,

*V. Claire Allen, Deputy*
