RE: Ronald Ferguson vs. Mill Creek, LP
2015-000593

Dear Ms. Kitchings:

I got correspondence in the above case about the Respondent's and Appellant's Brief being due. My understanding of the rules is that the Final Briefs are due 20 days after the Record on Appeal has been filed.

I never received proof where the Record on Appeal was filed with your office. I did receive a draft copy of the Record on Appeal which was not bound or properly prepared and advised the Appellant that it did not include all the matters from the Designation of Matters to be Included in the Record.

Accordingly, I do not believe that the Respondent's Brief is due. What the Respondent's do believe is that the time has expired for the Appellant to have filed his Record on Appeal.

If I am wrong about any of this, kindly advise.

Sincerely,

Rodney M. Brown
