William Barry Chisholm, Appellant v. Susan Elaine Chisholm, Respondent
Case number: 2015-001708

Dear Madam,

Yesterday I received notice that the appellant's motion for extension of time was granted until April 18. The last mailing regarding this matter was received in February and extended time was granted until February 16, 2016. There has been no correspondence from him, nor the court, since that time. I have received copies, until February, of all the information the Appellant has sent to the court. Copies of all conversation made in the courtroom with Judge Simmons have been sent to this court. Mr. Rabon has sent information detailing when the check was sent and that he received no correspondence that the check was denied, nor was I informed. The Appellant has sent pages of information which isn't even relevant to this particular ruling, and filled with untruths. He has continued with appeals and harassment since 2001.

I do not understand what additional information he is to send by April 18? (and I am not insane)

Thank you.

Susan Chisholm
