

# The South Carolina Court of Appeals

The State, Respondent,

v.

Brian Talkington, Appellant.

Appellate Case No. 2015-002331

---

## ORDER

---

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied. Additionally, Appellant's alternative request for a "Writ of Prohibition and/or Mandamus" is also denied.
