Dear Tara T. Scott

I am writing this request letter to determine the amount for pages and cost for the transcripts of record on the date above. I have requested an extension from the Appeals court for time to get these transcripts. I am aware that your work load may find that you need time to produce such transcripts. Please let me know the cost and type of payment I will have to provide to you in order to obtain the transcripts from this case and the date noted above. I will provide the county sheriff's department attorney Mr. Harter with a copy of this request as well as the "office of court administration and the clerk of the appeals court. I would like to obtain the transcripts in the most economical form as I have been granted to proceed in forma pauperis by the court of common pleas.

Thank you very much
