MOTION TO REQUEST TRANSCRIPT OUT OF TIME

Appellants request that the Court allow them to request the transcript out of time. Appellants did request the transcript from the court reporter on March 23, 2016 as demonstrated by the attached correspondence. However, this was 13 days after the filing of the Notice of Appeal and technically out of time. Regardless, Appellants actually received the transcript from the court reporter on April 11, 2016, making the deadline for Appellants' Initial Brief and Designation of Matter to be included in the Record on Appeal to be May 11, 2016. Appellants request that this motion be treated as notice of receipt of the transcript as required under the rules.
