The Supreme Court of South Carolina

ORDER

This order supersedes the July 25, 2000, order issued by the Chief Justice concerning courtroom security.

I FIND that the Circuit Courts, Family Courts, and Probate Courts of South Carolina have the need and authority to protect judges, parties and witnesses from physical harm and injury; and,

I FURTHER FIND that the methods of providing security for the Circuit Courts, Family Courts and the Probate Courts are often unsatisfactory, and are not uniform throughout the State.

NOW, THEREFORE, pursuant to Art. V, § 4, of the South Carolina Constitution,

IT IS ORDERED that county governing authorities shall provide courtroom security for each term of Circuit Court, if requested by the Circuit Court judge. This request may require the presence of a law enforcement officer in the courtroom, or that a law enforcement officer be immediately available to provide assistance in the courtroom upon request by the presiding judge. The Chief Circuit Court Judge for Administrative Purposes is empowered to issue administrative orders as necessary to ensure adequate security.

IT IS ORDERED that county governing authorities shall provide courtroom security during each term of Family Court. A law enforcement officer shall be present in each Family Court courtroom while the court is in session, unless excused by the presiding Family Court Judge or the Chief Family Court Judge for Administrative Purposes, in which event, upon request by the presiding judge, an officer shall be immediately available to provide assistance in the courtroom. The Chief Family Court Judge for Administrative Purposes is empowered to issue administrative orders as necessary to ensure adequate security.

IT IS ORDERED that county governing authorities shall provide courtroom security during estate and commitment hearings in Probate Court, if requested by the probate court judge. Courtroom security may require the presence of a law enforcement officer in the courtroom, or that a law enforcement officer be immediately available to provide assistance in the courtroom as determined by the probate judge and the county sheriff in consultation with the county administrator.

IT IS ORDERED that to ensure courtroom safety, county governing authorities shall provide adequate equipment and/or personnel to provide reasonable physical screening of all individuals entering a courtroom. To ensure safety, law enforcement officers assigned to secure the courtroom should be properly trained to provide courtroom security. Further, there should be areas available for securing individuals awaiting transport to detention facilities.

page 2

IT IS FURTHER ORDERED that law enforcement officers shall not be permitted to carry concealed or unconcealed weapons when appearing in court as a party or witness when testifying in a non-official capacity. Concealed or unconcealed weapons are prohibited in the courtroom except when carried by law enforcement officers carrying out the duties of their office or as allowed by S.C. Code Ann. § 23-31-240. Further, law enforcement uniforms shall not be permitted to be worn in court when testifying as a party or witness in a non-official capacity, except in extenuating circumstances as determined by the presiding judge.

N-201731 and N-201732

Dear Mr. Cleveland:

On November 5, 2013, you entered a plea before the Greenville Court of General Sessions. Therefore, this hereby concludes my representation of you in this matter.

I am required by law to retain your file for six (6) years from the date I conclude my representation. All original documents and/or property, if any, have been previously given and/or returned to you. Please allow me to know if you should desire your file and I will provide it to you. After six (6) years, your file will be destroyed.

As you may recall, in your case, a plea offer was made whereby the State agreed to drop three (3) of the above-referenced charges, with a recommendation of eight (8) years, which would have been suspended upon you successfully completing three (3) years of probation. This offer was made to you on June 11, 2013 and was held open by the Solicitor for you to accept for almost five (5) months. I advised you from the onset that I felt that it was in your best interest to accept this plea offer and you continually refused. Therefore, had you followed my advice, there is a great likelihood that you would simply be on probation at this time.

I wish you the best of luck!!

With kindest regards, I remain,

Respectfully yours,

Michael J. Sarratt

IN THE COURT OF COMMON PLEAS
 C.A. No. 2014-CP-23-1895

ORDER OF DISMISSAL

This matter comes before the Court by way of an application for post-conviction relief (PCR) filed April 3, 2014. The Respondent made its return on August 22, 2014. An evidentiary hearing was held on February 18, 2015 at the Greenville County Courthouse. The Applicant was present and proceeded pro se.¹ Karen C. Ratigan, Esquire of the South Carolina Office of the Attorney General represented the Respondent.

The Applicant testified on his own behalf. Also testifying was the Applicant's plea counsel, Michael J. Sarratt, Esquire. The Court had before it the transcript of the guilty plea hearing; the Greenville County Clerk of Court records, the South Carolina Department of Corrections records, the PCR application, the return, and Applicant's Exhibit 1.

PROCEDURAL HISTORY

The Applicant is confined in the South Carolina Department of Corrections pursuant to orders of commitment from the Greenville County Clerk of Court. The Applicant was indicted at the September 2013 term of the Greenville County Grand Jury for two counts of removing a

¹ At the start of the hearing, the Applicant's retained counsel made a motion to be relieved and the Applicant joined her in that motion. This Court granted the motion and issued an order to that effect that was filed on February 25, 2015.

vehicle identification number (VIN) (2013-GS-23-7503, -7507), two counts of possession of a stolen vehicle (2013-GS-23-7504, -7506), and obtaining goods under false pretenses (2013-GS-23-7505). He was represented by Michael J. Sarratt, Esquire.

On November 5, 2013, the Applicant pled guilty. The Honorable Edward W. Miller sentenced the Applicant to concurrent terms of 5 years for one count of removing a VIN,² 5 years suspended during probation for the second count of removing a VIN, 10 years suspended upon the service of 6 years and 5 years probation for one count of possession of a stolen vehicle,³ 5 years for the second count of possession of a stolen vehicle, and 5 years for obtaining goods under false pretenses. Susannah C. Ross, Esquire filed a motion to reconsider the sentence, which was denied by order filed November 21, 2013. The Applicant did not appeal.

ALLEGATIONS

In his application, the Applicant alleges he is being held in custody unlawfully for the following reasons:

- 1. Ineffective assistance of counsel.
 - a. “[F]ailed to advise effectively, investigate, research mitigation, or adequately prepare case for trial.”
- 2. Due process violations.
 - a. “[A]ctions of my attorney and the Solicitor resulted in an Unconstitutional breakdown of the adversarial process.”

FINDINGS OF FACT AND CONCLUSIONS OF LAW

This Court has reviewed the record and heard the testimony and arguments. This Court has further had the opportunity to observe each witness who testified at the hearing, and to closely pass upon their credibility. This Court has weighed the testimony accordingly. Below are findings of fact and conclusions of law as required by S.C. Code Ann. § 17-27-80 (2003).

² 2013-GS-23-7503.

³ 2013-GS-23-7504.

Relevant Testimony

The Applicant stated he had poor communication with plea counsel and that counsel told him "outright lies." The Applicant stated he was very nervous and not ready for trial. The Applicant stated plea counsel was also not ready for trial. The Applicant stated plea counsel forced him to sign the sentencing sheets. The Applicant stated the sentencing sheets incorrectly indicated he waived presentment. The Applicant stated the indictments look "fake" and as if they had been "rubber-stamped." The Applicant stated plea counsel failed to examine the subject matter jurisdiction issue regarding the fact that the cars in this case came across state lines. The Applicant stated plea counsel forced him to plead guilty because he never directly answered his questions.

Plea counsel testified he was retained and that the Applicant was out on bond. Plea counsel testified he filed discovery motions, received those materials and reviewed them, and reviewed them with the Applicant. Plea counsel testified he also mailed a copy of the discovery materials to the Applicant. Plea counsel testified they reviewed the Applicant's version of events, the elements of the charges, and the sentence ranges. Plea counsel testified there was no viable defense. Plea counsel testified the Applicant never came to his office so they had meetings at the courthouse. Plea counsel testified they also exchanged numerous telephone calls, emails, and letters. Plea counsel testified the Applicant was not a cooperative client and would often refuse to answer his questions. Plea counsel testified there was a standing plea offer in this case that was later "sweetened." Plea counsel testified the offer was to plead guilty to two charges in exchange for eight years suspended to three years probation. Plea counsel testified he explained the offer to the Applicant, as well as its risks and benefits. Plea counsel testified the Applicant refused the offer because: (1) he wanted PTI (which the State refused to agree to), (2)

he wanted to raise issues under the Omnibus Crime Reduction Act, and (3) he did not want a felony. Plea counsel testified the case was eventually placed on the trial docket and that he was ready for trial. Plea counsel testified the judge relieved him as counsel when the case was going to trial but then rescinded this decision when the case was to be resolved in a guilty plea. Plea counsel testified there was nothing else he could have done to prepare this case.

Ineffective Assistance of Counsel

The Applicant alleges he received ineffective assistance of counsel. In a PCR action, “[t]he burden of proof is on the applicant to prove his allegations by a preponderance of the evidence.” Frasier v. State, 351 S.C. 385, 389, 570 S.E.2d 172, 174 (2002).

For an applicant to be granted PCR as a result of ineffective assistance of counsel, he must show both: (1) that his counsel failed to render reasonably effective assistance under prevailing professional norms, and (2) that he was prejudiced by his counsel’s ineffective performance. See Strickland v. Washington, 466 U.S. 668, 104 S. Ct. 2052 (1984); Porter v. State, 368 S.C. 378, 383, 629 S.E.2d 353, 356 (2006). When there has been a guilty plea, the applicant must prove that counsel’s representation was below the standard of reasonableness and that, but for counsel’s unprofessional errors, there is a reasonable probability that he would not have pled guilty and would have insisted on going to trial. Hill v. Lockhart, 474 U.S. 52, 58-59, 106 S. Ct. 366, 370 (1985); Roscoe v. State, 345 S.C. 16, 20, 546 S.E.2d 417, 419 (2001).

This Court finds the Applicant failed to meet his burden of proving plea counsel did not adequately meet with him to review and prepare his case. Plea counsel testified the Applicant was not a cooperative client but that they nonetheless had several meetings and exchanged numerous telephone calls, emails, and letters. Plea counsel testified he sent a copy of the discovery materials to the Applicant and also reviewed those materials with him. Plea counsel

testified they discussed the Applicant's version of events, the elements of the charges, and the sentence ranges. Plea counsel testified he conveyed and explained the plea offer to the Applicant, who refused it. This court finds plea counsel's testimony is credible. This Court further finds the Applicant failed to articulate what more he wanted plea counsel to do in order to prepare his case. See Skeen v. State, 325 S.C. 210, 481 S.E.2d 129 (1997) (holding applicant not entitled to relief where no evidence presented at PCR hearing to show how additional preparation would have had any possible effect on the result at trial).

This Court finds the Applicant failed to meet his burden of proving plea counsel pressured him into signing the sentencing sheets and pleading guilty. This Court does not find the Applicant's testimony is credible. This Court finds there is no evidence in the guilty plea transcript to support the Applicant's assertion that he was pressured into entering a guilty plea. Rather, when asked by the plea judge whether the decision to plead guilty was his "free and voluntary decision," the Applicant replied it was. (Plea transcript, pp.20-21). Further, while the Applicant was very expressive of his opinion of plea counsel's representation on the day of his plea hearing, the Applicant never stated plea counsel was forcing him to plead guilty. This Court finds the guilty plea transcript itself has refuted the Applicant's allegation. See Stalk v. State, 375 S.C. 289, 300, 652 S.E.2d 402, 407 (Ct. App. 2007); see also Rayford v. State, 314 S.C. 46, 48-49, 443 S.E.2d 805, 806 (1994) (where transcript of guilty plea proceeding refuted applicant's claim that he did not understand the terms of a plea bargain, grant of PCR was inappropriate notwithstanding applicant's claim lawyer misadvised him).

Accordingly, this Court finds the Applicant has failed to prove the first prong of the Strickland test – that plea counsel failed to render reasonably effective assistance under prevailing professional norms. The Applicant failed to present specific and compelling evidence

that plea counsel committed either errors or omissions in his representation of the Applicant. This Court also finds the Applicant has failed to prove the second prong of Strickland – that he was prejudiced by plea counsel’s performance. This Court concludes the Applicant has not met his burden of proving counsel failed to render reasonably effective assistance. See Frasier v. State, 351 S.C. at 389, 570 S.E.2d at 174.

Subject Matter Jurisdiction

This Court finds the Applicant has failed to meet his burden of proving a lack of subject matter jurisdiction in his case. This Court rejects the Applicant’s argument that the plea judge lacked subject matter jurisdiction because the cars at issue in this case may have crossed state lines. The federal case law cited by the Applicant is not persuasive.

This Court also rejects the Applicant’s argument that the court lacked subject matter jurisdiction because the sentencing sheets indicated that he waived presentment but his indictments were actually true-billed. This Court finds this is a mere scrivener’s error and not a jurisdictional issue.

This Court further rejects the Applicant’s argument that there was no subject matter jurisdiction in his case because the indictments were false or defective. This Court notes indictments are merely notice documents and the indictments in this case were properly true-billed by the Grand Jury and sufficient to put the Applicant on notice of the charges he was facing. See State v. Gentry, 363 S.C. 93, 610 S.E.2d 494 (2005).

This Court finds the Applicant failed to meet his burden of proving the plea judge lacked subject matter jurisdiction to accept his guilty pleas. See Butler v. State, 286 S.C. 441, 442, 334 S.E.2d 813, 814 (1985) (finding a PCR applicant bears the burden of proving the allegations in their application).

All Other Allegations

As to any and all allegations that were raised in the application or at the hearing in this matter and not specifically addressed in this Order, this Court finds the Applicant failed to present any testimony, argument, or evidence at the hearing regarding such allegations. Accordingly, this Court finds the Applicant has abandoned any such allegations.

CONCLUSION

Based on all the foregoing, this Court finds and concludes the Applicant has not established any constitutional violations or deprivations before or during his guilty plea and sentencing proceedings. Re: George Cleveland III, #35770 v. State et al no. 2014-CF-
23-1895; Frivolous P.C.R. Ruling

1. Dear Judge HALL,

Please be advised that I have reported your inactivity on my pending Rule 52(b) motion (P.C.R.) to the S.C. Court Administration, requesting an Administrative Order for the assignment of another circuit court judge.

2. you failed to even rule on the merits of my P.C.R. case by rubber-stamping the state's proposed order of dismissal, indicating you reviewed the court's record, P.C.R. Application, S.C.D.C. records, and my admitted exhibit 1, but you did none of it based on evidence from the Greenville

County Clerk of Court, and MR. Michael Watts
(Court reporter) that has been presented to
Director Rosalyn Frierson of the South Carolina
Court Administration,

3. With respect, I ask that you not review the
records in my case, or rule on my pending
52(b) motion until the Court Administration has
an opportunity to review the substantive
evidence in this action in this matter.

Dear Judge Hall,

You may recall that you presided over a term of post-conviction relief court in the Thirteenth Circuit the week of February 16-20, 2015. The above-captioned case was heard during that week and you denied relief. The order of dismissal was filed on April 7, 2015. Mr. Cleveland filed a subsequent "Plaintiff's Rule 52(b) Motion to the Court's Order of Dismissal of (P.C.R.)" on May 1, 2015 and I filed a return on May 15, 2015. As of this date, I believe this motion is still pending. Please let me know if you need anything (such as the application, order, motion, etc.) that would be of any assistance.

Re: Freedom of Information Act (FOIA) Request

Dear Mr. Cleveland:

The Thirteenth Judicial Circuit Solicitor's Office is in receipt of your FOIA request to our office dated September 4, 2015. I offer the following responses to your request:

Dear Mr. Cleveland, III:

We have determined that you are eligible for representation by this office. We are waiting for the court reporter to provide us with a copy of your transcript, which will take at least two months and **probably longer** as they are allowed **several** thirty-day extensions. This office does not control the court reporters.

Your case will not be assigned to an attorney until we receive the transcript. Upon receipt of the transcript the attorney will then write you a letter explaining the appellate process and how you may assist in handling your appeal. You will receive a copy of your transcript and all documents filed in connection with your case.

Until your case has been assigned to an attorney, you may direct all correspondence to me. We look forward to representing you and hope for a favorable result.

Re: Your Appeal – Appellate Case No. 2015-002251

Dear Mr. Cleveland:

I have enclosed the post-conviction relief hearing (PCR) transcript that this office requested for use in your appeal.

This office has been appointed to pay for costs of the post-conviction relief hearing transcript and printing of petition, appendix and any briefs that may be necessary. The appendix should be in this order: Title page, index, guilty plea hearing transcript, application for post-conviction relief, state's return, post-conviction relief hearing transcript, PCR hearing exhibits, order of dismissal, indictments, sentence sheets. Please note that ONLY documents that were before the PCR judge can be included in the appendix.
