"Exceptions/Grounds For Appeal"

1. The ALC erred by failing to consider facts and law materially relevant to the court's finding that Appellant had not properly exhausted SCDC's administrative remedies.

2. The ALC erred by failing to allow for the filing of Appellant's timely Rule 59(c), SCRCinP, motion which was filed within ten (10) days of ruling and served to bring the ALC's attention to material facts and law over-looked by the ALC.

Respectfully,

Done this 2<sup>nd</sup> day of MARCH, 2016

Re: Appeal No. : 2016-00551

Dear Honorable Clerk of Court:

Enclosed please find my "Amended Notice of Appeal" in the above case. I have done my pro se best to correct the deficiencies cited by the court's letter dated March 16, 2016.

I don't have \$100.00 for filing fee. Please send me in forma pauperis forms and I will complete them and return.

As to the "attorney of record" I do not know who the SCDC's attorney is and have never been advised of such. I trust everything is in order and my NOA can be filed. Thank you. Respectfully,

Timothy Dale Crockett
