SC Court of Appeals

Dear Honorable Clerk:

This letter will acknowledge receipt of the Court's second deficiency letter dated 3-22-16 advising Appellant to file motion for transcripts within (10) ten days. (There are no transcripts to order)

First, let the record reflect that Appellant is a "blind" inmate at Broad River corr. Inst and consequently substantially handicapped. He will be inquiring with prison law library staff and/or prison officials about accessing the courts with some help under the American with Disabilities Act (ADA).

The Appellant has already responded to one deficiency letter and filed an "Amended Notice of Appeal". There was no hearings in the lower court and therefore no transcripts to "order." So there

Can not be any method or time to order the transcripts that don't exist. Moreover, the Court should notify the Appellant as to any deficiencies in his pleadings/appeal at one time. Hopefully the Court can process Appellant's appeal and grant him the judicial due process he is entitled to and was denied in the lower court.

Finally, the Appellant has enclosed a "Motion to Appoint Counsel" with the hopes that a member of the Bar could be appointed to assist the disabled Appellant.

Thank you for your time + concern in this matter.

Respectfully

Timothy Dale Crockett
