Date: 18 Apr 2016

The first hearing was held on March 8, 2015. I filed for an appeal on August 5, 2015

I would ask this court to consider everything between these dates to be considered timely,

And everything not between then considered as "out of time", I do this because I cannot

Find anything to direct me on how to handle a Judge that keeps on having hearings.

Thank you for your consideration on this matter.
