SC Court of Appeals

Re: Appeal

Dear Ms. Kitchings

I just got a letter stating that I failed to file my notice of appeal with the Administrative Court and the S.C. Department of Corrections, when I did serve them along with the Court of Appeals by depositing a notice along with a proof of service on or around February the 3rd of this year. I then received a notice from the Court stating I failed to include a proof of service to which I resent a proof of service along with a letter explaining I was back dating it to the date of the notice I filed. Clearly, there must be a mix up here. If you could assist me in closing up this matter I would greatly appreciate your assistance. My attempt to clarify all these matters was in response to a letter dated Feb. 10, 2016. This letter was sent by V. Elaine Allen.

Thanks once again for your assistance.

Respectfully Submitted
