Appellant case no: 2014-000602

Appeal from Richland county
circuit court Judge Honorable
Robert E. Hood.

Opinion no: 2016-UP-171

Petition for ReHearing

pursuant to Rule 221(A), S.C.A.C.R., Nakia Jones pro-se, petitions this court for a rehearing, petitioner respectfully submits that this court unreasonable applied the standard of review in deciding petitioner petition.

The court has overlooked clearly established south carolina supreme court presedent when they decided that petitioner has failed to show that the p-c-r Act was unAvailable to him. The p-c-r Act is unAvailable to petitioner, as stated in his brief see: (state of the case)

that he has exhausted all of the Appeals Available under the Uniform Post-conviction Procedure Act, S.C. Cod Ann 17-27-20(B)(2014). Under this Act successive Applications are disfavored.

The court has made an unreasonable decision based on the facts in this case. The undisputed facts presented by petitioner in his Pleadings, evidence that the state use unsigned sentencing sheet to enhance his offense to Life without Parole, had the court ruled on this fact, then the uncertainty and controversy would have been terminated.

Based on the above arguments, Petitioner seeks rehearing.
