RE: Robert and Pamela Wilkes vs. Town of Pawleys Island, et al.  
Appeal Case No. 2016-000029

Dear Ms. Kitchings:

Please allow this correspondence to confirm my paralegal, Lynn Jordan's conversation with your office today that the Appellant's counsel has not submitted a Designation of Matter with his Initial Brief and that our response is not due until thirty (30) days after the Designation of Matter is filed. I understand that you will forward Mr. Reeser correspondence requesting the Designation of matter and once that has been received by your office, our office will be notified by you when our response is due.

Thank you for your assistance in this matter and in the event you need any additional information, please do not hesitate to contact our office.

With kindest regards, I remain

Yours very truly,

N. David DuRant
