Appellate Case No. 2012-212682

state

Sept. 20, 2012

Dear Clerk,

I'm writing asking you to please give me an additional 30 days to provide you with the explanation you require, Rule 243(c) I am in prison we have set times to get to the law library. We have just been updated to computers and the system has had a lot of flaws. Plus, due to what the state calls disruptive schedule I haven't been given my law library time in 2 weeks.

Very truly yours,

Also I put in for additional postage so I could send copies to the state, and I haven't received them, so no copy is being forwarded until my envelopes arrive.
