Re: Joseph W. Owens v. Temus C. Miles, Jr., et al.
Appellate Case No.: 2016-00068
Our File No.: 14034

Dear Ms. Kitchings:

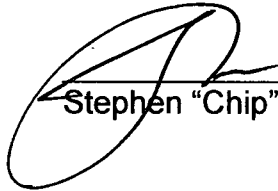

This letter is to request a fourteen day extension of time in which to file the Initial Brief of Appellant and Designation of Matter to be Included in the Record on Appeal with regard to the above referenced matter. Other obligations and deadlines have prevented me from completing this brief by the current deadline. Specifically, regarding this matter alone, the case involving two of the remaining defendants and the counterclaim of one defendant proceeded forward, culminating in a hearing on five motions scheduled on April 18, 2016. The trial court has now ruled that the case against the two remaining defendants is now stayed, pending final execution of proposed orders. Preparation for these various motions put me behind on several other cases, and I have only now caught up with these matters.

By my calculation, the Initial Brief of Appellant will now be due on or before May 13, 2016. No prior extension has been requested. I have enclosed my law firm's \$25 check for the filing fee. If you require a formal motion, please advise.

Thank you very much for your consideration of this request.

With kindest regards,
