Civil Action No.: 2014-CP-40-6228  
Our File: 2772-9340

Dear Ms. Kitchings:

Please find attached correspondence with the Court Reporter in the trial of the above-referenced matter. A Notice of Appeal was filed in this case on March 3, 2016. Pursuant to SCACR 207, a copy of the transcript was ordered prior to the filing of the Notice of Appeal. A copy of the same was provided to opposing counsel; however, a copy of this correspondence was inadvertently not provided to the Court of Appeals. I am attaching said correspondence for your files.

Additionally, please find enclosed a copy of the correspondence with the Court Reporter in which payment for the transcript was submitted. I have also attached an email chain between my office and the Court Reporter in which she acknowledged receipt of the payment and provided us with a timeline for receiving the transcript from those proceedings.

As always, please feel free to contact me should you have any questions.

Best Regards,

**SWEENY, WINGATE & BARROW, P.A.**

I received payment for the requested trial transcript on Friday, March 25. Our rules indicate we have 60 days from date of receipt of payment in which to produce the transcript with up to three 30 day extensions granted as necessary. However, I will make every effort to complete the transcript within the 60 days, which would be May 24.

?Hi, Beth. I estimate the cost to produce the transcript to be \$916.50. This does not include postage. If you need an e-tran, there's an additional \$35 charge for that. Under our rules, I have 60 days from date of receipt of payment in which to produce a transcript. Thank you and let me know how I may be of further assistance.
