Vs.

MOTION FOR EXTENSION

OF TIME

~~STATE OF SOUTH CAROLINA,~~

Fictitious Entity.

---

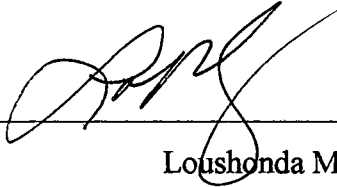

I, LouShonda Myers, am now timely petitioning for an extension of time to file my Informal Brief in this matter. This extension of time is being made for good cause and not for the purposes of delaying this matter. The final transcript in this matter was received on March 26, 2016; and the brief is not due until April 26, 2016.

I am respectfully petitioning for an extension of time due to the following:

1. I am currently in my ninth month of pregnancy and am having some medical issues that are affecting my ability to be able to work on this matter- I am having nerve issues that affect my ability to sit, stand, and walking for more than a few minutes without terrible pain;
2. I am in need of more time to properly research and write my brief;
3. I currently have another matter pending in another court that also requires my attention;
4. This extension is being requested for good cause and not for the purposes of delay; and
5. An extension is in the best interest of justice and will not cause any undue harm to either party.

Therefore, I am respectfully petitioning that an extension of time be granted to and including May 26, 2016, for the filing of my initial brief.

April 12, 2016.
